

## **Leading Contractor Walter Lewis Recognized as NARI Certified Remodeler**

**Atlanta GA – May 9, 2006** – Neighbors Home Services, a premier North Metro Atlanta home remodeling company that specializes in kitchens, baths, porches, decks, basements, complete additions and more, today announced that company president and co-founder has been awarded the National Association of the Remodeling Industry's (NARI) Certified Remodeler designation.

“NARI's principles and its CR designation are a reflection of the service we aim to provide to each and every client of Neighbors Home Services,” said Lewis. “I am truly honored and proud to achieve this coveted NARI status and I and look forward to continually learning and providing industry leading service for our clients.”

A Certified Remodeler (CR) is a professional who has demonstrated the composite knowledge necessary to be identified as a leading professional – a professional dedicated to raising the standards of the remodeling industry in order to better serve the clients.

Contractors must meet the following requirements to become a CR:

- Minimum of seven continuous years in the business of remodeling
- Demonstrate proficiency and overall construction knowledge
- Ability to direct the performance of others in all phases of remodeling
- Subscribe to sound business practices and ethics in accordance with standards approved by the association

“Consumers expect professionalism and deserve quality workmanship,” said Jesse Morado, Chairman of the Board of Directors of NARI Atlanta. “We believe NARI members are a cut above the rest and that we can provide a superior remodeling experience for customers. It helps us to demonstrate that we are willing to be tested and certified. There is nothing to fear about certification when you have the education, experience and ethics to back you up.”

### **About Neighbors Home Services**

From design to punch list, Neighbors Home Services manages its clients remodeling projects with the utmost professionalism.
