

NOTICE REGARDING UNAUTHORIZED FACEBOOK PAGE

Heather Property Owners Association and its Board of Directors does not approve of or endorse the Facebook page that has been started by a few residents of this community. This unofficial and unauthorized Facebook page has caused confusion and negativity within this community, since it gives the impression that we (HPOA) are affiliated with it. We have received several complaints regarding this Facebook page.

We do not and will not approve of this, nor do we have any affiliation with it whatsoever. Again, it is not an official page and is not endorsed by the Board of Directors for Heather Property Owners Association. The fact that it has a link to our website does not make it part of us.
