

CONVENIENT VOTING

MESSAGE FROM THE ADMINISTRATOR

It is with great pleasure to report to you that our county election commission is continuing to be an innovative leader for the great state of Tennessee. Monroe County is one of four counties approved to implement a project called Convenient Vote Centers. The purpose of this change in voting for Election Day is to make voting more accessible to voters and increase voter participation.

The convenient vote center concept provides greater access as it allows voters to vote at any one of the polling locations and not at one assigned location based on your residential address. On August 6, 2020, you will be able to vote at one of the locations that is closest in proximity to where you live, work or attend school.

This process offers many benefits to voters and to our election staff. The ability to vote at any location provides many voters who commute out of the county before the polls open and struggle to make it back before the polls close. These voters can now stop at the nearest polling location they come to in Monroe County and cast their ballot. This eliminates the risk of not making it back to their assigned polling location before it closes at 8:00 PM.

Thank you Senator Mike Bell, State Representative Mark Cochran and State Representative Lowell Russell for the time and effort that you and your staff contributed to advancing this bill. A special thank you for the leadership of our Election Commissioners in their support of this project. Thank you to the Monroe County Commission for their approval of funding for this project. Lastly, thank you to each person who has contributed to this opportunity for our county.

Sincerely,

James R. Brown

In Monroe County

ELECTION DAY

THURSDAY, AUGUST 6TH, 2020

8:00 A.M.- 8:00 P.M.
