

OREGON GUN MAKERS FAIR
April des26 and 27, 2025
835 CATTLE DRIVE
CORVALLIS, OREGON 97333

The Oregon Gun Makers Fair is a unique educational service for those interested in the art and construction of flintlock firearms. In this relaxed and friendly atmosphere, we get together to study and practice the craft of the flintlock. Warren Adair’s workshop setting provides the opportunity to demonstrate many aspects of flintlock construction and embellishment that is not achievable in a seminar format.

- « « « Plan to arrive at 8:00 a.m. Saturday morning; muffins/pastries and coffee will be available. » » »
- « « Saturday lunch and evening BBQ are also included; BBQ is served before the evening **RAFFLE.** » »

Saturday topics will include design planning and drawing for muzzleloaders; characteristics of North Carolina flintlocks; inletting techniques; and black powder manufacture.

Sunday topics will include repoussé techniques and home casting with sterling silver; and cleanup and recutting of sculpting on cast mounts.

DISPLAY SPACE is available for displays of original arms, contemporary arms, accoutrements, and work under construction. You are encouraged to bring any items that you would like to display.

Please feel free to bring surplus **materials that you would like to sell;**
 other participants are often interested in purchasing these items.

ADVANCE REGISTRATION, SIGNED RELEASE OF LIABILITY, AND PAYMENT REQUIRED THIS YEAR!

Registration Gun Makers Fair \$50.00
