Summer 2017:

Summitville Tiles

Long time Design Studio customer, Summitville Tiles, recently updated price lists for 2017. Summitville's tried and true products include Floor Tile, Thin Brick, Quarry Tile and a full line of Setting and Grouting products.

Design Studio takes pride in the ability to maintain files like the Summitville Tiles Price Lists and update them whenever required with accuracy and precision.

BRASS
SOLID BRASS **Accents™** INC.

Brass Accents in Salem, is "forging" ahead with improved product lines. Transitioning from traditional sand cast molds to forging door plates and hardware. This enables Brass Accents to offer the same traditional designs in quality solid brass with cleaner lines and tighter tolerances.

New for this year is an extensive collection of floor registers in several styles and all their signature finishes.

Youngstown State University - July 8, 9

It's time once again for the YSU Summer Festival of the Arts. Please join me this weekend in downtown Youngstown at the YSU campus for the annual event that showcases the area's finest art and artists. I'll be there with some new additions to my usual pen and ink drawing style and custom creation sculptures.

Channeling Jackson Pollock ▲
I'm not sure, but I thought I heard him say - "...you're on your own!"
