

# THE BOX TOPS PROGRAM HAS CHANGED...

The Box Tops program has changed from a “clip and save method” to a “mobile app” method. This new state-of-the-art technology will scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online. The proposed advantages of the new program include:

**MORE CONVENIENT**—Redeem anywhere, anytime within 14 days of purchase

**EASY TO USE**— No more clipping or sending Box Tops to school

**REAL TIME**—Your school’s earnings are automatically updated online

**EXTRA CASH**—Access special bonus offers on top of your Box Tops earnings.

The potential disadvantages to the program include the fact that you must give Box Tops access to your photos. Many of our families are uncomfortable with giving this access. So, at St. Anne School, we are offering three different ways that you can participate in the program:

- Download the Box Tops app, photograph your receipt and upload it to the app— giving us instant credit.
- Photograph your receipt and send it to us instead. Take a picture of your receipt/s and email them to the school at [boxtops@stannelancasterpa.org](mailto:boxtops@stannelancasterpa.org) and we will upload your receipt for you. If you plan on using this method, please send the photo immediately after purchase as we only have 14 days to upload.
- Send in your grocery receipts. No need to photograph; just send your receipts in an envelope marked “Office” and we will photograph and upload them. If you plan on using this method, please send the receipts in immediately after purchase as we only have 14 days to photograph and upload.

Our goal would be to continue to take advantage of the Box Tops Program. The program provides us with additional resources to purchase needed items including air conditioners, playground toys and resources for Field Day.

\*You can continue to clip any old Box Tops that you have and send them into school. They will continue to accept them as long as the expiration date is valid.
