

Let's go on vacation this summer!

Feel like getting away this summer? The credit union can help you get away and relax. Or go on the trip of a lifetime. We have vacation loans from 9.00% APR up to \$3,000 until July 31, 2024. Go online for an application or see a loan officer and tell them "Let's Go On Vacation This Summer".

Tips on saving for vacation

1. Set a budget. – And stick with it. Research the cost of food, lodging and transportation in the area that you will be visiting.
2. Keep your vacation plans realistic. – Look into vacation locations that fit reasonably within your budget. This does take time for research and planning but it can save you in the long run.
3. Start a vacation savings. – Start a special savings account as early as possible to put funds aside specifically for your vacation. Once you set a budget for your trip, calculate how much you will need to set aside each month to reach your budget goal.
4. Cut out unnecessary expenses. – Look at your monthly budget and decide what you can cut back on during the year. The extra savings you have can be deposited into your new vacation savings account.
5. Track your spending with your City Federal App. – The City FCU app will allow you to easily track your spending. This will help you stay on budget!

Back To School

Are you ready for back-to-school season? Although it may seem like summer has just started, school will start back shortly. It is never too late to start getting the basic supplies your little ones will need to start the semester off right.

1. Take Inventory of what you have. Go through all school supplies that were left over from the previous year and see if they are needed for this coming Fall.
2. Use price matching. Check to see if your favorite stores do price matching, a service that matches or beats a competitor's lower price.
3. Look for student-specific discounts. Various retailers offer discounts or other benefits to students on items from clothing to electronics to vitamins.
4. Create a budget. Once all the school supplies needs are clear, it is time to make a budget.

City Federal is here to help you get the little ones back in class. Our back-to-school loan is a great way to take the stress out of the obstacle the new school year brings. We have back-to-school loans from 12% APR up to \$1,200 until August 30, 2024. Let's start the school year off right, with City Federal Credit Union.

Back to School Loans

Up to \$1200.00 Max term 12 months Max rate at 12% APR
