Fitness Fundamentals

Classes that cover all the basics

CORE 'N MORE

This is a high-impact aerobic class for seniors that targets all the major muscle groups. In addition to aerobics, the class uses dyna-bands, light hand weights and exercise balls for strength training.

Meet Your instructor:
Lynn McEvoy

LOW & SLOW

"I worked every muscle in my body, but it was so much fun that I forgot I was doing exercise...and I wasn't sore the next day!" Low & Slow is a gentle exercise choreographed to all kinds of music. Music changes weekly so you never get bored!

Meet Your Instructor:
Susan Palmer

B FIT

This class offers heart-pumping music and calorie-torching fun! A full-body workout emphasizes group fitness & focuses on specific areas such as arms, legs, core & cardio while using specific equipment. Keep your body guessing and transforming with a variety of strength-training moves, cardio conditioning & core work.
