Dear Parents,

Welcome to September in the Infant room! In case you didn't know or weren't able to make it to the Open House, we are now in our new room. It has been months in the making and we are finally there. Our room is bigger, brighter, and the best thing about it is we now have a napping room! Yippee...!

The children in our room range in age from 3 months to almost 10 months old. Delmondo, who was just born in August, will be joining us at the end of October. We had the chance to meet him at our Open House...so little and so adorable! Here's a quick look at everyone in our class...

**Jenson** will be 10 months old on the 17th of this month. As of now, Jenson is toothless :) His "mode of transportation" is scooting all around! It's been so fun watching him in the new room...he loves all of the open space.

**Lucas** is Jenson's buddy and is also turning 10 months at the end of September. Lucas loves to roll and roll and roll! He loves to clap and yell to his friends across the room. :)

**Brookelyn** is almost 8 months old. She loves to smile and talk in her "outside voice" :) She gets so excited, she just can't keep it in... LOL! She is on the brink of crawling, I wouldn't be surprised if it happens sometime this week!

**Graham** will be 7 months old next week. He just joined our class in September. So far we know that he is happy and very smiley and will let you know what he wants and **doesn't** want. :)

**Layne** will be 7 months old on September 18th. Layne has been with us this summer and we are enjoying getting to know her and her personality.

She is very smiley and her eyes are so expressive. She loves books and talking to her friends! :)

**Maliyah** just turned 6 months old and is brand new to our class! So far we know that she is very smiley. She likes playing on the floor and swinging in the swing while looking up at the stars. We can't wait to find out more about her as the month goes on. :)

**Mavis** is almost 4 months old. She joined our class in August and is a very happy little girl. She loves to look up at the stars and take everything in. She loves being talked to and she talks right back. She is a great storyteller. :)

**Mattax** will be 4 months old in a few weeks. He is a smiley little guy who loves to "coo". Mattax is someone who knows what he wants and when he wants it! He likes to swing and is very curious about the world around him. :)

We wish everyone a great month ahead!

Ms. Carrie K. :)
