{Joshua 1:9}

Agent: Yes! Yes! It jammed and some of the unit got hit hard by the enemy's weapon which is named F-E-A-R!!!!

Agent: Oh Jesus!! Please let these people get out of the target line of the enemy!! (Agent begins screaming to people in the road) People, you have to move!!! Get out of the road!! MOVE!!!

Dispatch: Are you ok, Agent?

Agent: No I'm not ok!! I am in a high speed chase with two enemy vehicles on my back! Many of my unit are suffering with deep wounds and we need backup immediately!!!

Agent: (annoyed at this point) Yes! Yes! Yes! Oh no!!!!

Dispatch: What is it, Agent?

Agent: The enemy just got a lock on me. They're about to shoot their big missile at me.

Dispatch: Which one, Agent?

Agent: I think it's called G-U-I-L-T.

Dispatch: Hang in there, Agent. I am going to call it in now.

Agent: I'm hanging as best I can. Hurry!!!
