I would like to take this moment and thank the 50+ Nobles, Ladies and Guests who participated in the "Fun Run" and toured Charlotte Motor Speedway, Lake Norman and special thanks to Harley Davidson of Charlotte, Seminole Harley Davidson of Sanford, FL and Harley Davidson Corporate for their tremendous support.

By the time you get this I'll have made visits to TSMFA Fall Obstacle competition in San Antonio and Great Lake Association competition in Cincinnati Ohio.

I would like to inform you all about a New Advisory Committee we are currently working on to better serve you, the Members. The Advisory Committee will consist of one noble from each of the Associations throughout North America. We are now asking for each Association to appoint someone to this committee. This Noble would need to be available to attend the two events each year as well as phone conference calls placed throughout the year. If you have any questions please contact Jay Alfirevic Secretary/Treasurer IASMC.

Imperial 2013 will be held in Indianapolis Indiana. The I.A.S.M.C. event dates are June 29 – July 02
The IASMC Host Hotel will be the Caribbean Cove Hotel and Conference Center 3850 DePauw Blvd. 317-872-0720.

The main reason I chose this Hotel was for the family atmosphere, the complex has an indoor water park, built with the Family in mind. Please get the word out to your young members to plan on making this event a family vacation as well as a Shrine event. For more information please feel free to contact me anytime.

IASMC line officers are the greatest, they work together for the benefit of all members and willing to do whatever it takes to make everything work. The line officers have been visiting other Associations throughout the country. We welcome any comments and/or recommendations that would make IASMC an organization that everyone would want to be a member of.

Yours in the Faith , Rick Landers
