

Art & Environment Volunteers are needed to coordinate decor that reflect the different seasons of the Liturgical year including Advent, Ordinary Time, Christmas, Lent, the Triduum, and Easter. Decor should express the reverence and beauty of the worship space and may include plants, flower arrangements, sacred images, and drapery. The annual Advent poinsettia sale is also a part of this ministry. Time commitment may vary according to the season of the Liturgical cycle. (Annette Alleva 907441-9239)
