## Former Mt. Carmel/Christian Covenant Choir/Music Ministry Members

My warmest greetings to all!

I pray this letter finds you well and thriving! As I hope you are aware, in July 2019 we will commemorate 50 years of ministry beginning as Mt. Carmel Community Church and transitioning to Christian Covenant Church (CCC). The Lord has truly been faithful, as He has sustained what He birthed back in 1969.

While our heritage is rich in the leaders in the Kingdom of God birthed, nurtured and launched from this ministry, I am sending you this letter to acknowledge another part of our heritage, the music ministry. CCC will celebrate God's goodness to us July 18-21 in a series of services/events, most of which will feature music from our history.

Personally, I can trace my membership in the choir back 46 plus years. While being the pastor's son afforded me the opportunity to serve in many areas in our church, the opportunity to serve in music ministry has shaped me in innumerable ways.

We would like to formally invite you to be a part of this celebration two ways. First, please prayerfully consider being a participant in the reunion choir. We intend to utilize technology to send tutorials for parts and arrangements. More detailed information will be sent in the near future. Second, send us song suggestions and contact information for any other former choir members you keep in contact with so we can invite them as well. Please Note: Even if you can't attend, you can still send in suggestions and contacts. Also, please keep us in your prayers that the Lord bless this event and use it to edify the Body of Christ.

For those who are prepared to commit to participation, we'd love to know who you are. If you are unsure, that is okay as well. Knowing you are seriously considering it would still be helpful. If you have conflicts or know for some other reason you will not be participating, we still love you and would still like to hear this from you.

Because God is our Father, you are all family. Our hope is that whether or not you choose to join our reunion choir, you will do all you can to come join your family for this glorious celebration of God's goodness.

Yours in Christ,

Timothy L. Witcher II
