To Whom It May Concern:

Solid Chrome Films is an Independent Film Production company with several productions ready for development. One production is a Festival Film in development, the three following productions include a Feature Film, and a Television or possibly Internet series. These projects are all Horror / Action / Thriller stories that will appeal to the viewer audience familiar in action pact storylines. These stories are also cutting edge taking the genres further with new ideas that will keep the viewer base on the edge of their seats.

The Festival Film in production is in development and seeking support. The Feature Film and the Action Series are high budget. They are well developed with many scripts written, including a Pilot episode for the Action Series. Solid Chrome Films is thankful for you viewing this material and consideration for future support. Let's make some film.

SOLID CHROME FILMS PRODUCTION SLATE

TITLE: RUBBER BABY (Horror/Thriller/Romance in Development):

Not the typical horror film. Rubber Baby is more a surreal based ghost story about an aged heroin addict living a lone life in a grungy inner city hotel room. He is a writer but can't write as he struggles with his drug addiction. Until he meets a street crack addict named Vivian. Strange supernatural occurrences begin to take place that make him question if she is a ghost from his tragic past. This production is in development with actors, sets & locations, now seeking the support and financing to complete.

TITLE: WORLD OF SOLID CHROME (Action/Thriller 10 Episode Series)

World Of Solid Chrome is an Action / Thriller Saga told in 10 episodes 60 minutes long each about Revenge, Family, Friendship and the truth that the highway in life does not lead to gold for a young woman named Charlotte aka Solid Chrome and her quest to redeem her life. An intense road chase tale of Charlotte racing from biker gangs and corruption as she tries to rescue her close friend from human traffickers in Mexico. Several of the episode scripts are complete with a pilot episode ready for development.

TITLE: WORLD OF SOLID CHROME Episode One (Action/Thriller Pilot)

A 60 minute Pilot episode about the lives of a wealthy small town family torn apart emotionally and physically when a violent escaped prison convict holds them hostage in their home and dark secrets about the father's connection with the convict come to light. We are introduced to the main characters and beginning storyline that ends with a cliffhanger. A powerful start to a saga that includes stunts, car chases and guns.

TITLE: AND I DWELT IN THE LAND OF NOD (Horror/Thriller Period Survival Story)

Currently a motion picture screenplay set in time period of 1885 winter in Canada. A tale of a Northwest Mounted Policeman assigned to apprehend an Illegal Whiskey Trader, but both men must fight for survival in the wilderness as they are hunted by an insane cannibal with a pack of wolves. The screenplay can be adapted for mini-series, for now is a motion picture script along the lines of "The Revenant", "The Grey" and "The Hateful Eight". Production has support from Fort Edmonton Museum, Alberta, Canada.
