

Parent Teacher Connection (PTC)

The Parent Teacher Connection (PTC) exists to aid and assist in creating a Christ-centered school community while planning and implementing services, social and appreciation activities, strengthening school programs, school spirit, and acknowledging the services of staff and volunteers. **All parents of students are members of the PTC and are asked to provide input and help in how we carry out the above statement.** Some of the activities we provide include movie night, Pastor Appreciation breakfast, hot lunch program, training and coordination of lunch volunteers, bi-monthly treats for teachers' meetings, box tops/labels fundraising, December pancake breakfast, Christmas platters for teachers, Lutheran Schools Week activities, Scrip, teacher appreciation week treats, and the last day of school picnic. None of these would be possible without the help of each of our school's families to volunteer. Please review the opportunities to serve and select a committee where you would like to assist. Detach the form at the bottom of this page and return with your payment of \$15/child. *Please include one separate check for all of your children's fees made out to **TLS PTC.***

1. Lunch
