Your Upcoming Vacation.

Greetings from Reno, Nevada, the biggest little city in Nevada. This exciting urban location offers endless nightlife activities and lots of casinos. WorldMark Reno welcomes you to experience it all while staying at our resort!

This resort consists of 63 one- and two-bedroom units, with fully equipped kitchens and shared sun decks. Our resort and units are air-conditioned and complementary covered parking is offered. ResortNet 2, WorldMark's wireless Internet service, is available in all units for a small fee.

In this urban location, the units tend to be a little smaller. The two bedroom units can sleep six but four people would be more comfortable. Things to See and Do in Reno

It's time to find out what the "Biggest Little City in the World" has to offer as you base yourself in your WorldMark resort in downtown Reno, Nevada. This historic destination successfully combines natural beauty with lavish evening entertainment, lively casinos, fine dining and some of the best shopping in the state. The Reno area also offers year-round vacation possibilities. You can go downhill or cross-country skiing at world-class resorts, horseback riding, rafting, water-skiing, biking or fishing. You might take in a stage show, try your hand at poker, roulette or blackjack. You can also test your golfing skills at one of the area's 40 public courses. Reno is definitely a whole lot more than just gambling.

Starting with Reno's wild side, there's the **Animal Ark Wildlife Sanctuary**—home to kit foxes, wolves, black bear, mountain lion, burrowing owls and more. In addition to being able to see animals, the ark also has picnic tables, docent guides, educational displays, animal demonstrations depicting natural behavior and a gift shop. But that hardly scratches the surface of Reno's natural storehouse. From enjoyment as simple and close-at-hand as a walk or bike ride along the banks of the **Truckee River** in downtown Reno (where you can take advantage of the two-level promenade with its shops, restaurant and 12-screen cinema), to true mountain-loving action, Reno has it all.

For downhill skiing, Reno has two ski areas nearby, and many more near the **Lake Tahoe Basin**—including **Mount Rose** and **Diamond Peak at Incline Village**. For cross-country, consider **Diamond Peak or Spooner Lake**. And with Lake Tahoe practically in Reno's backyard (only 25 miles southwest of the city, and easily reached by several all-weather highways), true year-round recreational paradise is also yours—from boating and fishing to watersports—all summer long. Of course, one can't overlook Reno's golf scene. The region is so varied you can practically name your terrain: mountains, deserts, forest or lakes. The scenery takes your breath away and your shots will soar through the thin mountain air.

As for museums, Reno seems to preserve just about anything that sits still long enough to put behind glass. You can see impressionist paintings at the **Nevada Museum of Art**, glimpses of the galaxy at the **Fleischmann Planetarium** and more than 200 antique, vintage and classic cars (not to mention displays with clothing and lifestyles of the period) at the **National Automobile Museum**. You might consider a visit to the nearby state capital, **Carson City**, where you can visit the **historic mint building** or the **Nevada State Museum** with its exhibits on local history and Nevada memorabilia. Possibly the most popular part of this museum is its underground mine in the basement. Other favorite Northern Nevada museums include the **Nevada Gambling Museum**, **Mark Twain Museum**, **Wild West Museum** and, in **Virginia City**, **Bullette's Red Light Museum** (the only museum of prostitution in the nation).

But it wouldn't be right to talk about Reno and not mention the close to 30 **casinos** in the area. Reno's early mining days may be over, but the rush is still in full swing ... and is waiting to take your money. If you're lucky, you may win more than you spend!
