

Bear Creek Ski Patrol EMT Program

EMT Course Schedule - 2020

All candidates are responsible to know the schedule and keep track of all due dates and mandatory classroom sessions. Any candidate that is unable to make a date must inform the course coordinator as soon as possible to make up for missed material and potential assignments. Failure to complete all assignments by the assigned due date will be recorded as a failure, preventing the candidate from sitting for the psycho motor skills exam. The class coordinator reserves the right to modify the schedule. If any changes do occur, each candidate will be notified immediately through an email and online.
