LEARN MORE ABOUT HARRIS AT HARRISBOATS.COM

Your family is our north star. Our passion lies in giving you the lake experience you love, whether that's midday cannonballs from your Cruiser or sunset soirées on your Crowne.

For over 60 years, we've delivered performance, comfort, and power. We promise to keep innovating for your family beyond the next 60.

All information contained in this brochure is believed to be correct as of printing. Not all accessories shown in pictures described are standard equipment or available as options. Options and features are subject to change without notice. Not all model year boats may contain all the features or meet the specifications described in the brochure. All weight specifications are approximate. Bimini lengths may vary slightly due to stretching and mounting. Confirm availability of all accessories and equipment with your authorized dealer prior to purchase.

WE GROW *as you grow*

You inherited the FloteBote your granddad spent years on, cruising with his friends as stories and drinks flowed under the summer sun.

When you grew up, you bought a Solstice, proposed on the bow, and floated through your first years as a married couple.

And this year, you're searching for a pontoon for the next generation. One with the power to give your daughter her first wakeboard ride. With the tech to keep your son and his friends on the water longer with fully charged phones.

You choose Harris because we grow with you.

[LEARN ABOUT OUR JOURNEY AT HARRISBOATS.COM](https://www.harrisboats.com)

THE ALL-NEW GRAND MARINER

We dreamt big as we designed the 2022 Grand Mariner, and it shows in every detail.

TECH

The fully digital dashboard is loaded with custom user interface and control design in close collaboration with C-Zone.® Control the powered tower, lighting, and sound system using your remote key fob, and charge your devices throughout the boat with more USB ports. (C-Zone also available on Solstice)

AUDIO

Give your cruise the ultimate sound track with JL Audio.

LIGHTING

Illuminate the night with a stunning, colorful light display you can control through your C-Zone panel.

OUR EVOLUTION

YOU NEVER STOP CHANGING AND GROWING—WHICH MEANS NEITHER DO WE.

When it comes to innovating for your future, we never stop advancing. We navigate toward the horizon in the pursuit of advanced technology, greater power, and exceptional amenities to continue delivering the luxurious pontoons you deserve.

FULL-LENGTH GATE STOPS

Full-length gate stops are tested for up to 400 pounds of static load, enhancing safety by supporting the weight of occupants and bolstering the overall integrity of the fencing.

PROTECTIVE HEAVY-DUTY RUBRAIL

A patented 3" deep heavy-duty rubrail along the deck's perimeter is supported by thick crossmembers rather than the deck for added impact resistance.

FOUR-STEP WATER PREVENTION SYSTEM

Water-intrusion is minimized with rubber tape between crossmembers, sealant between deck seams, and interlocking tongue-and-groove decking on some models, with additional urethane sealant along top seams and on screw caps.

TOTAL TORSION REDUCTION SYSTEM

Continuous M-brackets diminish torque and twist, ensuring a sturdy and stable ride. Unlike most competitors, Harris brackets run the full length of the tube.

INNOVATIVE CROSSMEMBER INFRASTRUCTURE

Strategic crossmember placement, spanning the entire deck width in the boat's foundation, adds strength where the most stress occurs while reducing overall weight.

TWO-PIECE DOLPHIN NOSE CONE

Since 1959, the dolphin nose cone slices water with minimal spray. Two-piece design ensures durability and confident handling with no exposed welds.

LEAVE YOUR WORRIES *in your wake*

We believe your enjoyment on the water is our responsibility, which is why we offer our 10-year bow-to-stern and limited lifetime structural warranties.*

Harris associates take pride in providing the best solutions the first time, so you can spend more days on the water creating memories. In concert with an extensive network of over 120 dealers in North America, Harris brings you the finest pontoons and service in the industry.

*See Express Limited Warranty for complete details. Limitations and exclusions apply.

10 YEAR BOW-TO-STERN WARRANTY
Harris provides warranty coverage for ten years, including materials and workmanship. The engine is covered by the engine manufacturer's warranty.*

LIMITED LIFETIME STRUCTURAL WARRANTY
Our warranty covers the pontoon tubes, crossmembers, decking, motor mount, fence rail, and other structural components.*

PERFORMANCE PACKAGES

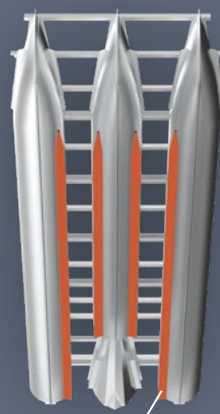

Our performance packages let you customize your boat for however your family likes to spend time.

LEVEL 1

For families who spend their time cruising or fishing, this package is the most economical, easiest way to get on the water.

- Two 25" diameter outer tubes
- Partial 25" diameter center tube
- 28-gal. fuel capacity
- Half skin kit

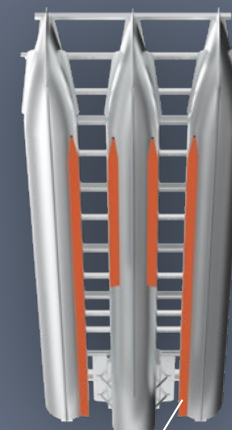

LIFTING STRAKES

LEVEL 2

Our most popular package offers more seating space, control, and power for families who can't get enough water sports.

- Three 25" diameter tubes
- 37-gal. fuel capacity
- Integrated motor pod
- Ski tow bar
- Skin kit to front crossmember
- In-floor storage included on Solstice, Grand Mariner, and Crowne; optional on Sunliner and Cruiser

LIFTING STRAKES

PERFORMANCE FEATURES

✓ **ALUMINUM UNDERSKIN**
reduces drag and splash for a quiet, smooth ride.

✓ **UNIQUELY PLACED STRAKES**
get you onto plane more quickly for better performance.

✓ **DROPPED CENTER TUBE**
on triple-toons creates a v-hull shape for easier turning and control.

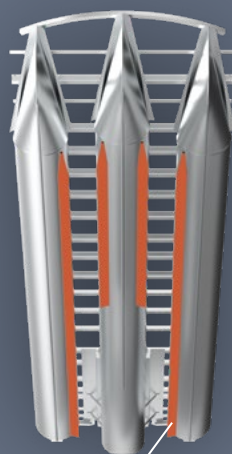

✓ **ANTI-CORROSION SALTWATER ANODES** available with any performance package.

LEVEL 3

This package offers more stability and a larger tank—with a slight compromise on guest capacity—for families whose travels require more power for bigger waters.

- Three 25" diameter tubes
- 63-gal. fuel capacity
- Skin kit to front crossmember
- Ski tow bar or pylon
- In-floor storage
- Available on Solstice, Grand Mariner, and Crowne

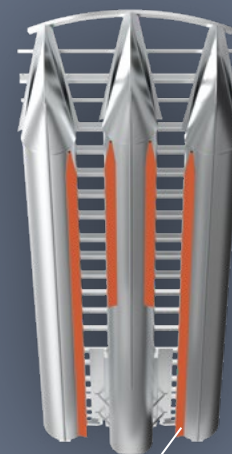

LIFTING STRAKES

CROWNE

ABSOLUTE LUXURY FROM BOW TO STERN

A DAY *Together*

Your guests have been waiting for this outing, waiting to indulge in the sleek sophistication and generous entertainment amenities of your Crowne.

You can feel the Crowne's power below your fingertips as it cuts effortlessly through the water. Cool, comfortable seating allows your friends and family to relax and enjoy a day of socializing.

With its glass dash display and adjustable seat, the helm makes the captain feel like royalty.

CROWNE

AT HARRISBOATS.COM

We couldn't be any happier with the quality and performance of the Harris Crowne. The new articulating top and rear lounge area are highlights of the boat.

GRAND MARINER

POWER BY DAY. PLAY BY NIGHT.

GET MORE FROM *every day*

Summer days feel longer when you board your Grand Mariner in the morning and don't return to the dock until well after dusk.

The kids cling to their seats, laughing as you show off the Grand Mariner's power, its newly styled sloped front cutting through the wind.

When the sun sets, it's time to use your key fob or the intuitive C-Zone user interface on the dash to fire up a stunning lightshow.

Every outing aboard the Grand Mariner brings a full-spectrum lightshow—and it's all under your control with C-Zone.

GRAND MARINER
