

Man Says Vs. God Says

Rachael Martin 3,8,2019

Just a friendly reminder when our circumstances are beyond our control, God is still very much in control. When what we see with the naked eye is not in a good way, Jesus is the Way and our trust in Him is critical. I felt reminded to let everyone know that God's viewpoint is so much different than what we say on a daily basis. Be encouraged, we have a very Strong God on our side.
