### Artjamming December Holiday Programme 2020

Please note: Our studios will be sanitized on a continuous basis throughout the day and strict hygiene protocols followed at all times. Workshops are strictly drop and go. Unfortunately no parents or caregivers will be allowed to stay for the workshops due to social distancing space requirements. Children must be able to follow instructions and be fully toilet trained. Workshops take place at the following studios: Waterfront & Willowbridge

**Mondays:** How to draw & paint cartoon people: Your kids will learn the art of cartoons, using bold and striking lines & colours.

**Tuesdays:** Slime & Canvas: Make our famous Artjamming slime and then free paint your own canvas.

**Wednesdays:** "Paint like the greats" workshop: Learn about famous artists (like Picasso & Pollock) and learn to draw & paint using their techniques.

**Thursdays:** Fun Foam workshop: Build sculptures out of fun foam and then incorporate fun foam in your paintings.

**Fridays:** How to draw and paint animals: Learn the fundamentals of drawing various animals and then paint them onto canvas.
