

TRADITION

AUTOMOTIVE GROUP

Tradition Chevy Buick GMC is part of the EH Automotive family of dealerships and located along the Erie Canal in Newark, NY. We are a full-line, family-owned and operated GM franchise and are happy to be part of the Finger Lakes community since 2014! We carry most GM Brands and high quality, thoroughly reconditioned pre-owned vehicles – if we don't have the vehicle you are looking for, we'll find it. We are also a Certified GM Service and Parts Center. Our Certified Technicians know your car or truck better than anyone. We'll keep your vehicle in top shape with competitive prices – even if you don't own a GM vehicle.

We put great emphasis on customer and community relations and take pride in being a member of the local Newark community. From supporting larger organizations such as Toys for Tots and the Salvation Army, to raising funds for local causes such as the Breast Cancer Coalition of Rochester, Tradition is dedicated to making a difference. We are proud sponsors of our local sports teams, Speed Connection Sportsman drivers Matt Guereri (#12) and Marc Minutolo (#25), and of course, our local community events and businesses. We also love being interactive with our community, which includes hosting giveaways and social media contests that help build morale and create an exciting environment for our customers. We're happy to partner with any company, big or small, and can't wait to see what 2023 will bring.

We also know just how stressful car buying can be. As your local Finger Lakes auto group, we do things the old-fashioned way: by putting our customers first. When you shop at Tradition, you will find attentive and responsive Brand Specialists ready to exceed your expectations in finding you the right vehicle with the right options. We believe in cutting out all the hassle, which means we take the time to get you low, up front pricing and more money for your trade. Especially with credit issues. Even selling your vehicle should be painless – no mysterious appraisers, no mystery numbers, no hassle. We'll also help you return, purchase or upgrade your current GM lease with no purchase necessary. Unable to make it into the dealership? We'll bring the dealership right to you with our Pick-up & Delivery Service.

Located just down the road from the Newark Village is our sister store, Tradition Ford. A new addition to the Tradition family acquired in 2021, Tradition Ford offers the same great benefits and service as our Tradition Chevy Buick GMC location, catered to the Ford franchise.

All of us here at Tradition look forward to making you and your family customers for life. Afterall, at Tradition Automotive, We Can Make it Happen.
