

Putting Christ's Love INTO ACTION!

Love At Work Ministries is an international Christian public charity, a 501 (c)(3) nonprofit, working with children in urban slums to break the cycle of poverty and help them reach their God-given potential. We are committed to serve and partner with people in need regardless of religion, ethnicity or gender.

We are motivated by Christ's call to serve the poor and the conviction that this involves acting in ways that manifest His love: "Our love must not be just words and talk; it must be true love that shows itself in action." 1 John 3:18

A Holistic Approach

While vulnerable children have always been at the center of all initiatives and programs, we relentlessly promote the well-being of their families and the community through holistic and integrated programs in the areas of education, housing, health and nutrition, economic opportunity, spiritual and social development.

Give With Confidence

With the highest level of recognition by **GuideStar**, the world's largest source of information on nonprofits.

You may wonder . . .
with so many needs in
the world, "Can I ever
make a difference?"

THESE SMILES ALL
SAY "YES!"

Creating Smiles,
Changing Lives

Building Better Lives FOR CHILDREN

Children In Crisis

This is a pivotal time for the community of Alajuelita, San José, Costa Rica. Thousands of children lack the most basic resources for a healthy, productive life -- clean water, health care, adequate schools, housing, sanitation, safe streets. But even more troubling is they live without the one thing they really need . . . hope.

Solutions Exist

Love At Work Ministries has years of experience applying these solutions to improving children's lives, going into the most dangerous areas . . .

- Demolishing nuisance properties, building new homes;
- Meeting basic needs for food, water, sanitation and medical care;
- Providing neighborhood support through outreach programs, camps and discipleship;
- Improving access to quality education;
- Bringing hope, joy and celebration to those who have none in their lives.

Love At Work International Christian School

Each week, hundreds of kids pour through the gates of the School. They laugh, play, eat, cheer, learn, feel valued, safe and loved. These precious children are finding the hope of being loved and not forgotten, the hope of a better future and the hope that comes from hearing the Gospel of Jesus Christ.

Future Generations Will Change the World!

A Caring Place Where Children Learn to Think. The School provides children of diverse socio-economic backgrounds with the academic foundation to do well in the best universities, while forming the discipline and Christian character they will need for life.

Our vision is that these students, many coming from the poorest neighborhoods, will become articulate, well-rounded Christian thinkers, leaders, doctors, parents, public servants and entrepreneurs who will change the community and world from the inside out.

Breaking Cycles. We know a quality, Christian education can be a huge factor in breaking cycles of injustice, poverty and violence. Students with a bachelor's degree earn, on average 140% more than primary school graduates, and, over a lifetime that gap is enormous. And these kids are likely to be more satisfied in their careers, healthier, and more involved as citizens and parents.

Sponsorship . . .

. . . is a way for you to make a real and lasting difference. We're not just educating the children; we're educating the grown-ups they're going to be! Learn more at
