

# LEO GALACTIC YEAR EON CALENDAR

## 4 MAJOR JUDGMENTS JUXTAPOSTED WITH THE LION'S GATE

The purpose of this illustration is to depict the 4 Great Ages or Primordial Ion of Existence onto a Circular Grand Year Cycle. Based on the Theory of the Precession of the Equinoxes, it is believed that a Great Year or Galactic Year is comprised of approximately 25,000 Years. This Astronomical Cycle is also referred to as the Precessional Cycle. It is comprised of 4 Division of the Golden Age, the Silver Age, the Bronze Age and the Iron Age. 25,000 Precessional Year / 4 Divisions of Ions = 6,250 Years Every 1/4 Division of this Time is said to be approximately 2083 Years. This Year Count varies with Debate. But nonetheless, the 4 Divisions are further divided into 12 Houses or Signs. These are what the Modern World calls the Zodiac and the Ancient Hebrews call the Mazzaroth, etc. In some depictions of this Great Year, each of the 4 Divisions of the Ions are further divided into 12 'Ages' for a total of 48 of them. What one wishes to take note of regarding this Great Galactic Cycle is the Position where the Lion's Gate fits into this Year Count. And also, what Constellation that Lion's Gate is found in. What is rather Amazing, is that in terms of Time-Keeping, the Universal Template and Pattern of 'Clocking' Time is the same for its all-inclusive Iterations. Meaning that the Ions, Ages, Degree, Orientation, Numerical 12 Count, 30 Days in a Month of 12 in a Solar Year are but Fractals of itself. In one's Estimation, these Celestial and Time-Keeping Patterns are Evidence that the Sun, Moon and the Stars and the Great Processional Year cannot have derived out of mere Chance or Happenstance. It is like taking a Box full of all the Parts of a Swiss Watch, then throwing

### IS THE LION'S GATE THE SAME AS THE GATE TO EDEN?

Jesus is the Way, the Truth and the Life to have access back to the Tree of Eternal Life. As Jesus stated, to 'Know the Son, is to have Eternal Life'. That Tree is essentially Jesus, the Vine of Life, the Menorah, come in the Flesh. Jesus came to Restore Eden and once again have access and Open the Door or the Gate, the Lion's Gate back to Paradise. Jesus is the Door for the Sheep. And it is He, the Lion-King that leads them 'In-and-Out' of Green Pastures, etc. But is of the Interpretation that as Jesus commanded the Disciples to stay in Jerusalem, it was to that they could have received the Holy Spirit, Sealing and Indwelling.

That is what started the Church Age and one is just conjecturing, what is that Place and Time, is there the Church Age will End with the concluding of the Commission that is 'Terminated' by the Rapture Event. Thus, based on this Rationale presented, one is surmising that the Lion's Gate, occurring in the Constellation of Leo, is the
