

**O'Connor Tract Co-Operative Water Company**  
**2026 Payment Methods and Instructions**

We are pleased to share that you can now pay your water bill online. We have teamed up with GovCard and are now accepting credit card and ACH payments. You can still pay us with a personal check or your bank's bill paying service, if you choose to.

Note that for the convenience of being able to pay via credit card, there are additional credit card processing fees charged to you by GovCard. (This is similar to your option to pay your county property tax bill via credit card, where credit card processing fees apply.)

You can create an account with GovCard or sign in as a Guest. You will still be able to pay in full or in installments, as you have done in the past.

To create an account or to pay as a Guest, please log in to: <https://secure.cpteller.com/customerportal/FIYAUQd4ixyw/login>

Please use the address of your property in the O'Connor Water District to make the payment.

To make a payment at this same link via your mobile phone, use this QR code:

If you have any questions or issues, please contact Ana Pedreiro at [occonnorwater@gmail.com](mailto:occonnorwater@gmail.com), or 650-321-2723.

Thank you!

The Board of Directors and Staff of O'Connor Water
