We thank all the students who applied for these college scholarships.

Scholarships are funded through a memorial fund in honor of Justin's memory. Justin was a free spirit and was loved by all who knew him. His tragic death in a motorcycle accident on April 14, 2001, at the age of 17, ended a promising young man's life. (We have also added a scholarship in memory of our beloved friend Mark J. Grace who was also killed in a motorcycle accident in 2005.)

We encourage everyone in the community to participate and support this wonderful project. Please, join us in continuing to make these scholarship awards possible to so many of our deserving high school graduates each year. They sincerely appreciate the financial assistance for college and . . . your GIFT IS TAX DEDUCTIBLE, too!

Donations to the fund may also be made in memory of someone or as an outright gift.

Sincerely Yours,
Lynda M. Evans - Powers
