Code Enforcement

Chuck Cagle

Village of Cohocton Codes Officer

As you prepare your home to “settle in” for winter please remember: to clean your chimney and/or furnace. If you replace your heating system (furnace, boiler, etc.) or install a pellet stove, woodstove, etc.; you will need a building permit. Do you plan on doing any interior work on your home to remodel for the holidays? Please contact our Code Officer as many projects do require a building permit.

Just one simple call 607-542-2175.

The Fire Department would like to remind you, now is a good time to change those batteries in your smoke detectors and clean your chimneys.

Have a Safe and Happy Holiday Season!
