

How to Participate in People-Powered Districts Event

League of Women Voters of Warren County

April 29, 2021

Make April 29 an adventure – find one of the boundaries of the 2001 gerrymandered state senate district that divided Warren County for the first time in 95 years! Boundaries of Mead Township or the City of Warren split our county into two state senate districts. You can walk, bike, or car caravan from a boundary to the 5:00 pm rally at the Warren County Courthouse sidewalk.

You may participate in a caravan (invite your friends and walk, bike or drive to the rally).

RALLY – 5:00 pm Market Street Sidewalk near Courthouse

CARAVAN 1 – Mead Township – 4:15 at Tiona Post Office

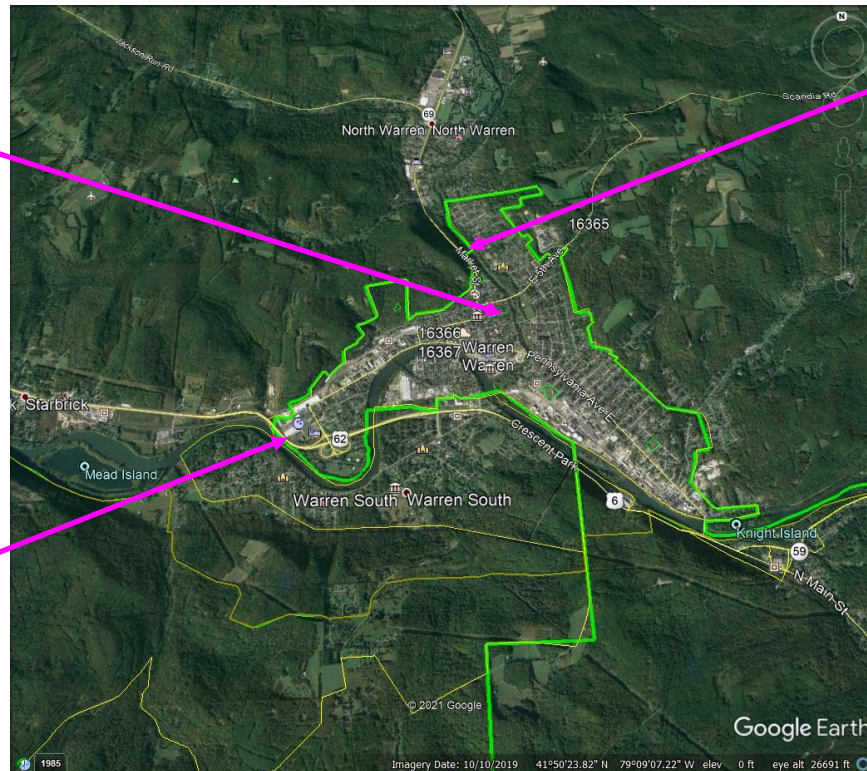

CARAVAN 2 – Warren City Boundary – 4:30 near Watson Home
