

*The Hordes of Hell Have Been Released*  
*June 20, 2015*

*We were dancing very tenderly and all of a sudden a black cloud of some kind of bird came flying overhead of us one landed on Jesus neck. It was a bat, with teeth a vampire bat. He picked it off His neck and showed me the teeth. "The hordes of Hell have been released."*

*They have gone out into the world to stir up rebellion. Man against God, and yes CERN does have something to do with it. These men are so blind, they have no idea what chaos is going to mean for them and by the time they find out it will be too late to stop it, it will already have a foothold and have destroyed half the earth.*

*Lord, I thought CERN was affecting more outer space and these creatures were coming from some demonic planet or something.*

*"Hell is in the bowels of the earth and a particular dynamic of gravity has moved aside the protective shield I put in place to keep these demon infested creatures from ruining the earth."*

*I kept seeing something like a huge translucent fish scale plate over an area of the earth that had been moved by the doings of the accelerator.*

*"Clare, in fact it is very, very sad. I see these little children messing with things they do not understand, thinking they will outsmart Me in some way, or be able to duplicate what I have created, thereby attaining equality with Me. Much of this is simply academic pride and a group of men and women climbing the professional ladder, wanting to perch on top and declare their brilliance to the world, that they are in fact equal to Me.*

*"There is one glaring fact they are still missing, who created Me? You see you can play with the building blocks I've given you, but they are still held together by My Love and My Power, yes they have rules that can be manipulated to produce various results, but they are all created by Me. Were I to remove the blocks the universe would cease to exist and them in it. They would be nothing more than globs of energy floating around in a void. This by the way is Satan's goal, using their ambition to destroy them. Right now they can't see that. As I said, when they do it will be too late. But I will step in so the universe will not go belly up like a ballon whose naval has been untied.*

*"How I long to fellowship with some of these great minds that I created and breathed life into. But no, that would ruin their career, so even though some of them know deep down that they are being called into the true realms of science, like Pontius Pilate, they will not risk their careers by following that call. Pontius Pilate knew better than to crucify Me, but he did it out of fear that Ceasar would ruin his career, and now look at his unenviable future in Hell. He was warned, they've been warned, but lust for position and fame have overtaken them. Nothing short of a miracle can stop them.*

*"So here we are on the brink of disaster, the hordes of hell have been released into the atmosphere of earth and all they know is destruction and hatred for mankind and all I've created. So they will manifest now in ways no one could imagine to set to work, through mankind the destruction of earth. They will have their way Clare, I have given it into their hands."*

*But what about the prayer 'world without end?'*

*"Oh the earth will be devastated, but it will not end, I will bring with Me a new Springtime. The beauty of a freshly created earth, I will restore everything. The greater portion of those involved in the accelerator project are not evil, just very ambitious and without basic intelligence. They overlook the very foundations of life to pursue a way out there academic goal that will bring them fame and glory, that is why I say they are lacking in basic intelligence. A smart little toddler could easily prove to them that they are playing with fire they cannot control.*

*"So in essence, these hordes of Hell will begin to inspire men and women on every level to do things that will end in ultimate disaster. They will sit on the shoulders of people and suggest things that look innocent enough but will set a wave of destruction over the whole earth, through the whole ecosystem, through the mass mind of man, controlling more and more the thought patterns and physics of psychology for their own irrelevant ends. Again, these are lacking in basic wisdom and intelligence.*

*"Not understanding God and morality, not being taught that as the basis for a healthy life, they have no fear of God, no understanding of how things are perpetuated. They have totally tossed out the idea of faith and religion and the significance of moral conduct and living Godly lives. Had they pursued truth, and only the truth they would have found how very foundational that is and would have had a holy fear of messing with things I created in a certain order.*

*"Well I wanted you to understand dear one, you are going to see an acceleration of evil from today onwards, yes, evil is about to bite mankind, infect and destroy it. It will begin slowly but gain momentum over the days to come. Please be steadfast in suffering, in putting up with the abundant annoyances I allow in your life, offer every one of them as wedding presents to Me.*

*"And for those of you who are carrying the heavy cross of sicknesses, you are holding back the wrath of God and helping Me to draw many into the kingdom before it's too late for them."*

*Lord is there anything you can share with me about what's going to happen because of these hordes that have been released into our atmosphere?*

*"No not at this time My Love, but you could share with them the embarrassing situation you found yourself in today and how it cost you dearly. Oh I had some wonderful things planned for our time together and your focus on food robbed you of it."*

*I'm so sorry, I could feel a special sweetness in prayer, I really wanted to be with You tonight Lord.*
