## Camp Shalom-Gan: Summer Camp for Infants thru Pre-K

Your child will enter the powerful world of STEAM this summer at Camp Shalom-Gan. Science, Technology, Engineering, Art, and Math will be the ongoing theme for the summer. From water, color, animals, climate, construction and more, each day will be filled with discovery.

Our camp is staffed by professional early childhood-certified instructors and assistants. Campers enjoy these activities in addition to Jewish educational enhancement programs. Our indoor camp facilities provide lots of experiential and tactile learning opportunities, and our play areas encourage physical activity and exploration with lots of sand and water play.

### **Recurring Weekly Enhancement Programs Include:**

Water Wading and Splash Pad

Stretch and Grow

**Camp Goodies:** Campers receive a complimentary T-shirt.

**Security & Safety:** Our facility has a staffed, monitored security entrance and strict visitor procedures, including required check-in for all campers and visitors.

**Lunch:** Campers bring their own sack lunches and beverages. Lunch must be vegetarian or dairy. (Please see our office for a list of suggested foods.)

**Camp Staff:** All lead counselors have at least 5 years of experience in early childhood education. All camp staff participate in comprehensive staff training, health and safety training, are certified in CPR and First Aid, and pass a national criminal history background check.
