

ARONIMINK SWIM CLUB POOL PARTIES FOR CHILDREN

Aronimink Swim Club will test all children involved at a party for their ability to swim across the pool and back without stopping to use the deeper end of the pool, the diving board, and the slide.

To host a Pool Party for children, parents **must schedule the party two weeks in advance with a member of the pool management team** to prevent conflicts with any other pool function or activities (e.g., swim meets, splash parties, etc.) which always takes precedence.

Aronimink Swim Club limits pool parties to a **three-hour limit**.

Aronimink Swim Club will schedule pool parties for children on a first-come, **first-served basis** at the discretion of the pool management team and the availability of open dates. The pool is equipped to deal with two parties maximum on any given day.

Parents and the management team will schedule parties **Monday through Saturday** on days without pool scheduled activities.

Members wishing to schedule a party for a child should call the swim club front office (610-449-0163), or email the General Manager at: gm.asc19026@gmail.com two weeks in advance of the party date. Members can also approach a manager two weeks in advance of the desired date to schedule a date and to prevent conflicts.

Parties are **limited to 16 people** including one adult chaperon for every four children (**12 children and 4 adult chaperones**). Parents must provide **a list of the guests three days prior to the selected party date**. The list should denote those guests who are not members of the Aronimink Swim Club. A Party Permit, which costs the member \$150.00, provides for the 16 admissions. Aronimink Swim Club has appropriate lifeguard staff for each zoned portion of the pool to be properly monitored. **Individual lifeguards will not be assigned to your party, but lifeguards on shift will reserve two picnic tables and help carry food items or additional set up if necessary. Aronimink Swim Club is not responsible for storing any food items (i.e. cakes, snacks). No alcohol is permitted.**

In case of rain, the management team will attempt to reschedule the party if another date is readily available. **Rain dates cannot be pre-scheduled.** Pre-scheduling would not be fair to others who might be trying to schedule. If the party cannot be rescheduled, the \$150.00 will be refunded.

The member host of the party must inform their guests of the swim club's rules and regulations and assumes all responsibility for their guests during their visit to the swim club.

The party host is required to make sure that the party area is clean, and that picnic tables are returned to their proper locations. Parties must end no later than 8:00 p.m. to ensure sufficient daylight for the swim club's lifeguard crew to complete their clean-up assignments.

I understand all my responsibilities and swim club requirements as stated in this form.
