 - Master of Science in Oceanography, August 1985
TEXAS A&M UNIVERSITY, COLLEGE STATION, TX
 - Bachelor of Arts in Biology, May 1982
UNIVERSITY OF MISSOURI COLUMBIA, MO

SAMPLE PROJECT EXPERIENCE/REFERENCES

- Engineering Design and Registered Land Surveys, Atlanta Beltline – Provided Civil Engineering Design Review, Submittal and Approval for the proposed Civil/Site Improvements for the Chester Avenue Project. The scope of this proposal involves the design of the entrance features including all Civil, Architectural, Structural and Landscaping Details. The project included detailed review by Atlanta Beltline representatives and submission to the City of Atlanta and ultimate approval of the drawings for a Land Disturbance Permit. Reference: Kevin W. Burke, Senior Landscape Architect, Email: KBurke@atlbeltline.org
- Environmental Screening Inventory for the Proposed Widening of, Rockbridge Road, DeKalb County, GA – Prepared an environmental screening assessment for a 9.4-mile segment of Rockbridge Road to improve traffic flow, provide safety and pedestrian improvements, and improve operations without capacity improvements. The environmental assessment focuses on streams and wetlands, underground storage tanks, potentially contaminated soil, historical preservation analysis, archaeology and environmental justice issues. Participated in the planning and hosting two community meetings to obtain public input on the proposed project. Reference: FOX served as a subcontractor to JJG on this project. JJG is no longer a business entity.

GDOT QUALIFICATIONS

- DBE NAICS CODES– Environmental Consulting Services (541620)
- GDOT Work Codes – Available to work state-wide
- Area Class Codes– Class 1.06--Environmental Studies (renewal qualification in prep)
- Currently registered with GDOT, MARTA and DeKalb County as a Disadvantaged Business Enterprise (DBE) and Small Business Enterprise (SBE)
