

## Invest in Promoting Arts and Culture in Our Community! ADS & SPONSORSHIPS - SPRING 2019

The West Hartford Women's Chorale enriches our community through the power of music. Through annual concerts, benefit performances and support for music education, the chorale has been investing in the cultural life of our community for the last 15 years.

Revenue we raise through our concert programs is a very important source of support for the chorale. Our programs are professional in appearance and quality and are seen by audiences of approximately 300 who use goods and services in our community.

Invest in the future of our community by supporting its arts and culture. Join us by becoming a **Sponsor** or **Advertiser** in our concert program.

**SPONSORS** have their name listed in our program under their giving level. **Submission deadline is May 14, 2019.**
