Update No.14, Wednesday 25th May 2022

Dear all,

Now that we have completed our AAS season, I can now give you the results for the final weeks of adult matches, and I can announce the League positions for all our AAS teams. See below.

In the meantime, our optional summer programme is underway, with matchplay on Monday evenings, and a summer adult league due to start next month. Our U13A team will also be taking part in a summer league at Cobham.

We are still buzzing from the excitement of our End of Season tournament where we all managed to get together to enjoy netball and to enjoy the sunshine. Well done to all our players, thank you to all our helpers, and congratulations to all our award winners 😊

Please read to the end of this Update as we have important information regarding next season.

Important Information for Next Season

Our costs have risen considerably over the last few years so next season we will be increasing our fees in order to maintain and enhance the standard of netball that we provide. We are investing in a new payments system which will hopefully make subs and match fees considerably easier for everyone, and we have secured use of the brand new Sports Hall at Therfield which will give us flexibility for some more indoor sessions. We are also providing more coaches for the younger age groups to enhance their learning experience. As a community non-profit making club, please be aware that all our prices are calculated purely to cover costs and are necessary for us to run the club.

Our new payment system will allow for two scheduled payments for those who do not want to pay in one go, with the first instalment due by 17th June, and the second instalment due by Friday 28th October. Your admin will be emailing you soon with information regarding next season's training times, coaches and costs, how to sign up for next season and how to make your payments.
