**CHILDREN'S
FINE ART**
engaged more than
2,100

children with high-quality art classes

"This class was wonderful. The instructor is super patient and kind and she starts each class with a project in mind but lets children explore and is ALWAYS available to help and answer any questions. We LOVED going to this class and signed up for next quarter with two of my kids!"

—parent, Ceramics program, winter 2017

“I felt so proud when I heard my students sharing stories about their families and cultures with our visiting artist. They rarely talk to me about those things so it was awesome to provide that opportunity.”

“The energy of the Art Center is so positive and infectious, and it is because each of you are so passionate, hardworking, and dedicated. Thank you for the contributions you have made to my personal and professional development, and for making this one of the best learning experiences I have had in college so far.”
