## Report to Donors

January 2020

Dear Seraj Friends:

Thank you for your generosity and commitment to The Seraj Library Project. You can read about Seraj's mission, libraries & projects on our website (including past newsletters) at [www.serajlibraries.org](http://www.serajlibraries.org). To date, we have established Seraj Libraries in ten West Bank communities and sent more than \$623,604 to Palestine for Libraries and Programs.

At each calendar year-end we provide a brief financial overview of how we are managing your generous gifts.

### Another Strong Fiscal Year - 2019 (July 2018 through June 2019 )

**Donations & Benefit Net** **\$142,167** just a bit over our 2018 all time high!

- 257 persons and organizations contributed to this total.
- Including 89 new donors who had not given in previous years.
- Organizational expense was 4%; we have no paid US staff.

### First 2 Quarters, Fiscal 2020 (July 2019 through December 2019)

- ◆ Our **Benefit** on October 7, 2018 at the Chateau Ritz in Niles netted **\$28,997**. We appreciate the generous participation of so many; our attendance was 166, We offered 127 auction items and these items brought in \$6,580, an all time high.
- ◆ **FUND THE NEED**, a newer addition to our Benefit events, raised \$8,095 An authentic Palestinian dinner was sold at auction for \$1,300.
- ◆ We are delighted to report a THIRD \$7,000 grant, from the **Bishop Robert Paddock Foundation** to strengthen Seraj's national presence in Palestine.
- ◆ **Emphases** for fiscal year 2020 include: 1) Continuing work on a **Palestinian Storytelling Center**, in support of Palestinian cultural identity and heritage. Seraj has had a strong ongoing interest in the power and utility of storytelling. 2) Continuing our successful and popular **scholarship program**, which has supported 57 college students to date. 3) A new focus on updating and enlarging our **book collections** in all ten libraries. Seraj has put 45,000 books in place over the past 10 years; many of our older books are becoming frayed, and there is demand for new additions. About \$5,000 will restock and grow a library.

We are delighted to be in partnership with you. There is much more to be done!

The most valuable asset in Seraj's work is the presence of Estephan & Laurie Salameh, on-the-ground and initiating and overseeing our work in the West Bank. It's difficult and complex work, requiring patience and wisdom. Yet, even in the face of Occupation, we are able to accomplish remarkable things for the good of Palestinian communities and children. *Seraj Library Projects are created by Palestinians, on behalf of Palestinians.*

### ***Reporting on Seraj Campaigns***

As a part of our on-going work, we have focused attention on three distinct campaigns. Each provided an opportunity for donors to contribute to inspiring and important projects. Here is a brief update on the 3 campaigns:

**The James and Eleanor Wall Library Fund (2015) 41 donors \$39,364.**

**The B.J. Wagner Scholarship Program (2013) 73 donors \$35,033**

**The Cotton Fite Memorial Fund (2017) 98 donors \$128,272**

Both the Wagner & Fite Funds are ongoing and we invite your continuing participation. The recent Jordan Valley Library was largely paid for with Wall funds. The **Fite Fund** will underwrite the new **Palestinian Storytelling Center**.

***Thanks for your generous support!***
