## A HUGE THANK YOU

THE PASTA FOR A PURPOSE FUNDRAISER WAS A HUGE SUCCESS!  
YOUR SUPPORT AND HELP IS MUCH APPRECIATED!!!

The Town of Rockford asks residents and businesses on the Town's water service to participate in **voluntary water restrictions** beginning immediately.

Suggested practices include:

- A. No car washing at home.
- B. No washing of driveways and sidewalks.
- C. No watering of landscaping during daylight hours..
- D. No irrigation of streetscapes and landscaping strips.
- E. Reduced irrigation in Town's Parks

Due to the Town entering the months of the calendar year with the least precipitation, and thus the highest demands on the Town's water system, it is important to the health, safety, property and welfare of Town's residents to reduce water demands at this time.

For further information on the voluntary water restriction, please call Town Hall at (509) 291-4716.
