## Around Town

### Having a Ball!

Coral Springs residents and Committee members of the Broward County Democratic Executives, Andrew and Anne Weinstein, were thrilled to be in Washington, DC for President Obama's Inauguration and some of the balls that followed.

### Sand Turtles Volleyball

Director Mark Lewkowicz is thrilled that the new league is up and running, er, make that spiking, setting and serving starting in March. Play is on Thursdays and Saturdays at Riverside Park, on Coral Fidge Drive, just south of Riverside. Call Mark (954) 345-0500 for further info.

### Kudos for Chaos

A one act play written by Douglas High School students, Beth Ginsburg and Rachel Johnson, won a Superior rating and was selected as one of the two submissions from our district to perform at the state level! The group won the award for best ensemble acting and Beth and Rachel won the All Star award - usually reserved for an actor in the play.

On April 23rd, the original One Act comedy, CORPORATE CHAOS, will perform at the Tampa Center for the Arts.

Congratulations to all of you!

### Taste of India Festival

The Sportsplex turned into New Delhi, Mumbai and other beautiful and bustling places filled with Indian Culture. A grand celebration of India's Republic Day was in the air as colorful kites peppered the sky grounded by laughing children of every color. Beautiful costumes, henna tattoos, threading and ornate jewelry were a sight to see, while traditional spicy food, delicious drinks and an entertaining array of dancers, singers and musicians were all there in the rich festival heritage of India. Dignitaries from many cultural organizations and Mayor Scott Brook were there to heartily welcome visitors. A perfect day of weather was the icing on the party.
