Crusaders Return to the Classrooms

Message from Jamie M. Perkins, Principal

Kindergarten through sixth grade students were able to return to campus this week, while some of our mighty Crusaders are still with us distance learning from home. There have been lots of changes here on campus to make this possible and we are all learning our new rules and routines.

Teachers are working very hard to continue providing a quality education for all students and we appreciate your patience and support as we perfect our skills in teaching students face-to-face and through distance learning.

Student Minimum Days

The following days are scheduled minimum days. For the complete list, please see the Year-at-a-Glance calendar on our website.

Thursday, September 17th

Thursday and Friday, October 1st & 2nd

Thursday, October 15th & 29th

The five additional hand washing stations placed on the school grounds have sure come in handy as Crusaders return to campus. We are grateful to our generous benefactors for providing us with so many of the things we need during this time.

As a safety precaution, the outdoor drinking faucets have been turned off and covered. Thank you very much for sending bottled water to school with your child.
