

Paul's First Story

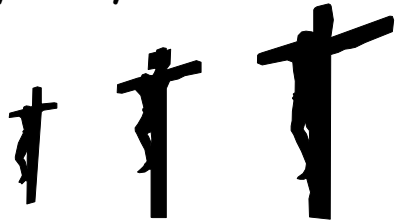

Distributed by Mu Nu Ministries

I was very clever and knew the
Law of Moses.

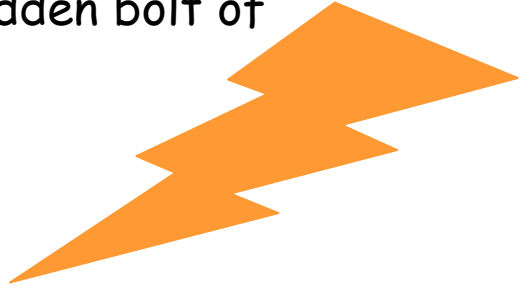

If people do not obey they
should be punished.

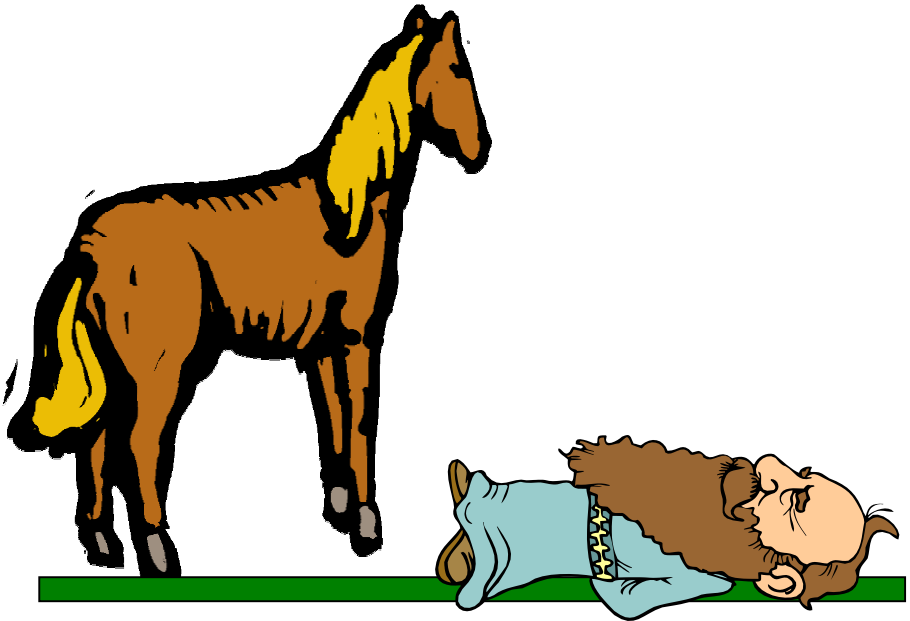

So I got on my horse to get
those Jesus followers.

There was a sudden bolt of
lightning

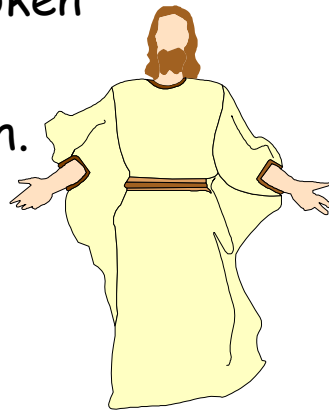

and I fell to the ground.

Then I could not see so my
friends led me into town.

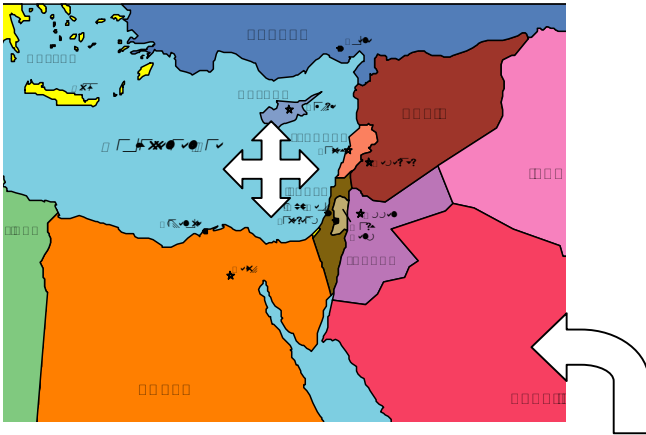

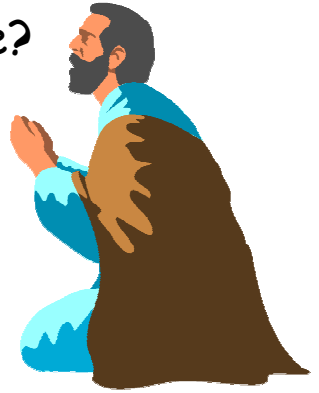

But Jesus had spoken
to me in that flash.

Why are you hurting Me?

I have called you to
carry my name to those
who are not Jewish.

First I went to Arabia to hear
from God.

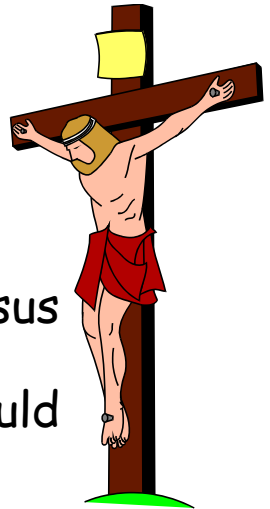

Then I came back to Jerusalem
and I met Barnabas.

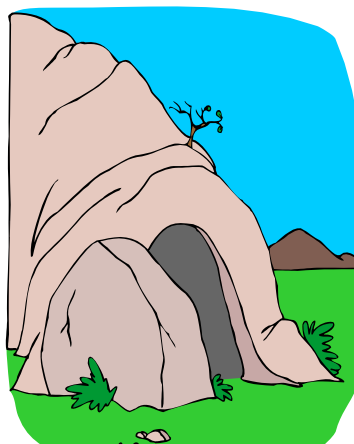

We formed a team
for our travels.

We were sent by the church to
preach about Jesus.

There were many people
who did not know that Jesus
died for our sins so we could
be friends with God.

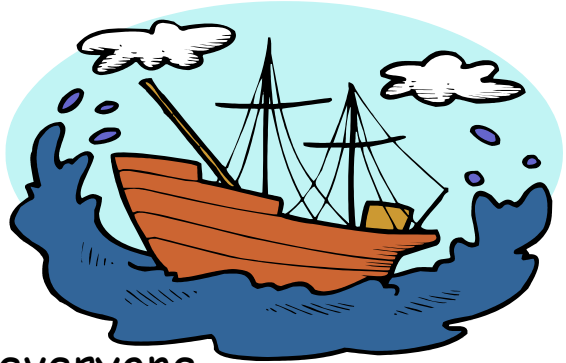

There were people
who did not know
that the tomb was
empty because God
raised Jesus to life.

I wrote later that this act
proves Jesus is the Son of God.

Barnabas and I had many
adventures and Luke came
with us to write the
stories down.

One of our most exciting was
when I was in a storm and the
ship went
onto the
rocks, but
God saved everyone.

I hope you, my reader, want to
put your trust in the God I love.
you can tell Him today.

This story is from the Bible, Acts 9 and 27
