FALL

ellie and sam offers heirloom items that are handcrafted in the USA. We use the softest fabrics we can find. We are dedicated to creating a handful of items that babies love.

ellie and sam are two baby elephants that were born on the same day from the same village. They have been lifelong friends, spending nearly every moment together. Recently, they found they both loved the same blanket during a sleep over. They are so excited that they want to share their favorite blankets with you.
