

THE BILGE PUMP

Keuka Yacht Club

Volume 37, Issue 6

June 8, 2021

RACE RESULTS

It was a hot one this weekend but the wind held and the 3 fleets, MCs, Lightnings, and Es, all got in races.

MC Scows

MC Scows		R1
1011	Penwarden IV	2
2004	Cole	1
2221	Wurman	3

And don't forget **Breakfast on Sunday**
8—11:30am!

E-SCOW CREW OPEN HOUSE WRAP-UP

There was a nice turn-out for the E crew open house. Four Es went out for a fun sail with possible recruits aboard in the morning. There were smiles all around when they returned to the dock!

53RD ANNUAL LIGHTNING CHAMPAGNE & CLASSIC BOAT REGATTA

We are expecting a strong turnout at this year's 53rd annual regatta and will have 25 - 30 boats on the grounds during that weekend as well as some tent campers in the upper parking lot.

We are looking for a few volunteers for crash boats, help with yard management, registration, dinner, and so forth.

Please let me know if you would like to

volunteer or crew. Just drop me an email with any questions.

Roger Slade
Lightning Fleet Captain

HOW TO TIE A CLEAT HITCH KNOT

Have you noticed the nice new cleats on the main dock? These "S" cleats are extra sturdy and their design helps to prevent pull out during heavy waves or winds. Aside from their stylish appearance, their "S" shape is easier to loop dock lines around.

Step 1: Take a turn around the cleat then pull the rope over the middle of the cleat.

Step 2: Pull the rope under the ear of the cleat and start a figure eight across the top of the opposite ear.

Step 3: Check to make sure your figure eight is correct before continuing. This is where most mistakes happen.

Step 4: Make an underhand loop and place it over one of the cleat's ears. This should pin the free end of your rope under the last line wrap.

Step 5: Pull the free end tightly. This final half hitch is the last step, and you've successfully performed a tidy Cleat Hitch Knot.
