

## Authorization request for Orthotics or Prosthetics

Dear Patient,

In order to determine if your Insurance covers your Orthotic (Brace) or Prosthetic device we now offer a pre-authorization request with your insurance. In order to get the most accurate information from your insurance please provide us with the following information:

- 1. Prescription from your Doctor**
- 2. Completed "Patient Intake 2010" form**
- 3. Front and back copy of your insurance card(s)**

Once completed fax everything to our office (908) 874-8821. You may also mail everything to :

Swiss Orthopedic, 188 Route 206, Hillsborough, NJ 08844

We will call you as soon as we have all the information from your insurance.
