October 25, 2020

Thank you, Marty and Nancy! Many of our church family were able to enjoy the warmth of friendship at the hog roast on Saturday evening! It was a beautiful Fall evening, the hog was cooked to perfection, the fires were warm, the hay ride fun! Thank you for inviting your church family!

Women's Wednesdays—Prayer in the sanctuary at 11:30 AM. Let Dessa Aldred or Beth Blair know of any special prayer concerns.

Men's Fellowship—November 7—The fellows are going out for breakfast and going to Top Golf. Scott Cunningham will need to know how many are going.

PrayVoteStand.org challenges us to spend 10 minutes each day in prayer for our nation in these last 10 days before the Election. Visit the website for challenging, helpful articles.

Call to Prayer by Franklin Graham—"Today, our nation is at a critical juncture. We need to call out to God for His help, His intervention, and His mercy. It is only by His hand that America will survive and be able to thrive again. We have an election coming up with so much at stake—two vastly different directions for the future of this country. This not only affects us, but our children and our grandchildren. I am urging followers of Jesus Christ to fast and to pray for our nation Sunday, October 25." (If you are unable to fast and pray today, choose another day within the next week to do so. Pray for revival to come to our nation—starting right here in our own church!)

From Priscilla Shirer—As long as prayer remains an afterthought, a formality, we will have no vitality, no confidence, and no clarity. We waste a whole lot of years, doing a whole lot of other things. Things that thoroughly exhaust us, but ultimately don't work. We end up for all our trying, missing the point, missing out on what God intended, missing the whole heart of what really matters.

Accept the challenge to change that! Let's determine to pray first!
