LA COUNTY  
**FAIR**

*Join Us at the LA County Fair*

We will have a booth to register voters on Sunday, Sept. 23. Stop by to say hello. Better yet, help us on the 23rd!

LING LING CHANG SD 29

Former Republican Assemblywoman Ling Ling Chang won in the simultaneous recall and election to replace California Senator Josh Newman. Her victory ends the Democratic super-majority in Sacramento. Ling will serve out the remainder of the Senatorial term which would put her up for re election in 2020. Congratulations, Senator Chang!

U.S. 39 YOUNG KIM

Former Republican Assemblywoman Young Kim faced a formidable number of Republican and Democratic opponents and came out the leader of the pack! Young will be working hard to be elected in November to replace Congressman Royce. Congratulations, Young. Our club will be there to help you campaign!

RITA TOPALIAN SD 32

Rita Topalian placed #1 in the top two primary and for the unexpired term for Senate District 32. To explain further, on June 5, there were two separate primaries for the 32nd District, one for a special election to fill the final months of this year's term and the other to elect the Senator for 2018-2022 term. On August 7, Rita Topalian will be in a special-election run-off to determine who serves the remainder of the term ending in December. She will be on the Nov. 6 general election ballot for the upcoming four-year term. Rita is currently president of our PHRWF Club and we are so proud of her. She will be working hard for her August run-off, then election in November. Volunteers needed!

# PRESIDENT'S MESSAGE

Hello to all:

It is with great pleasure that I am writing this. We are looking forward to an exciting year and I am honored to be on this journey with you. The MOST important thing in this very significant election year is that each of us must volunteer in local races and state initiatives.

Our Republican base has always been very strong, and while our numbers are less, our hearts are more. Pick a cause. Pick a candidate. Pick a day and dedicate it to your candidate or cause. Then pick a neighborhood and start working. Here are the little things you can do that will add up to a very big advantage:

Promise yourself to start with ten people. Begin with your friends. Urge them to vote in the primary. We have the advantage in the primary because while we are smaller in number, we vote in a larger percentage. Then "take a block." Meet your neighbors on your block. Educate them. Have information available to give them on whatever candidate or because you decide to champion.

I will guarantee that if even one of you becomes active, we will obtain ten votes. Ten times. . .? How many of you will take this challenge?

Please remember to vote in my  
RUN-OFF election on August 7th.

As Always, the best to you all,

*Rita*

## **MEMBERSHIP CORNER**

**With the elections coming up in November, it is more important than ever to boost our membership in the PHRWF. We need everyone to renew their membership, associates' membership and invite other Republicans in the PHRWF area to join our club.**

**We can accomplish so much more as a group than as individuals by working together towards our common goal to educate and inform.**

**As a member, PHRWF provides us with the opportunity to gather a wealth of information from many different sources and share that knowledge with our fellow Republicans.**

**At our monthly meetings, we have the opportunity to talk to other members with common interests, share information with our peers and enjoy informative and interesting guest speakers.**

**Last year, we had 39 members. Today, we have 32, one new member and 2 associates. For those who have renewed their membership for 2018, we thank you! Let's set a goal. By year's end we increase our membership to 42.**

**We have included a renewal/new member form along with this request. Members, please take a moment to renew your dues, sign up family, friends and neighbors, and help strengthen PHRWF.**

**This is the time to stand up and say, "I'm proud to be a Republican"!**

### **David Hall 2018**

### **On April 22, 2018, we lost a good friend**

**Dr. David Hall** passed away after a courageous, several-year battle with cancer. David was a generous philanthropist, PHRWF Associate member, and mentor for many.

For those of you who attended our meetings, David brought many new members to our meetings and provided Marie Callender's pies for us.

David's fiancée, Earnestine is a member of our club. Please remember to give her a hug when you see her at our meetings.

David will be long remembered...and missed. May he rest in peace.

# **BRILLIANCE IN 3 PARTS**

## **Part III:**

"You cannot help the poor by destroying the rich.

You cannot strengthen the weak by weakening the strong.

You cannot bring about prosperity by discouraging thrift.

You cannot lift the wage earner up by pulling the wage payer down.

You cannot further the brotherhood of man by inciting class hatred.

You cannot build character and courage by taking away people's initiative and independence.

You cannot help people permanently by doing for them, what they could and should do for themselves."

~ **Abraham Lincoln**

"Any man who thinks he can be happy and prosperous by letting the government take care of him had better take a much closer look at the American Indian."

~ **Henry Ford**

Einstein once said, 'The definition of insanity is doing the same thing over and over again and expecting different results.'

It is the poor who habitually elect Democrats... yet they are still POOR.
