If you cannot host your meeting as scheduled, it is your responsibility to get someone to switch with. Please let Joanne Seiler know at least 2 months before your scheduled month that YOU WILL BE HOSTING the meeting and give the date/time/etc.

President's Message

2017 is here and most people are very excited for new beginnings on many different levels. NJORTC will face a lot of challenges and I am sure we will be successful in meeting all of them.

First will be our Annual board meeting, where all board members will plan activities and direction for the year. Please let us know of any issues you would like the Board to discuss. We will also review an audit of our bank accounts and will officially turn the books over to the new Treasurer, Steve Handy. Again Thank You Carol Ehm for your years of service as our Treasurer.

Joanne and I, as well as Rich and Lois Martin will be heading to CTCI headquarters in Signal Hill, Ca. in February for the CTCI board meeting. We will bring back news and reviews at the next club meeting after the trip.

Next will be the 50/60 Dance in April. This is a very important fund raiser, so please start lining up people to sell tickets to.

Then every month and maybe more, we will be holding Convention meetings, in addition to our regular meetings. Please stay in contact with your chairperson of any events you have volunteered to help with. If you have not yet volunteered, contact Arlene, she is the volunteer coordinator. We can use your help for as little as a few hours to a few days in many different ways, just let her know your availability and what you would like to do

Of course the biggest event of the year will be the Convention. We are getting a lot of pre registrations and the hotel is filling up very nicely. (Continued Page 9

Happy New Year

Christmas Party

On December 3rd we had our annual Thunderbird Christmas party. We had 58 members and guests in attendance. Good group of people.

I hope that everyone had a good time. We did have a set back with our poor DJ, Pat. All the equipment and music were set up and ready to go and low and behold Pat's computer crashed. So with modern technology we were able to get music off other devices and Pandora, which I believe is a music station, so we were able to survive.

We had beautiful center pieces on our tables which were made by Joanne Seiler-thank you Joanne - they were pretty. Each table had a winner of a game to bring home the center pieces.

We had a visit from Santa Claus and Mrs. Claus. They handed out small boxes of candy which were in shape of cars. I hope everyone enjoyed them. They also handed out Poinsettias. They were very pretty. Thank you Lucille Chabala for picking them up for us. Also a big thanks for a job well done goes to Ray Braun for being Santa and Linda Antenucci for being Mrs. Claus.

We also had a grab bag, whoever bought a gift got a gift. There were unwrapped gifts for toys for tots - thanks goes to Gene and Diane Szura for delivering the toys.

We had a raffle for lottery tickets, won by Joan Notar. Joan we hope you won something. Thanks to Lois Martin for putting the lottery tickets on a tree stand.

We had another raffle for a chocolate Christmas tree which stood a little over a foot tall. The winner was Diane Szura. I hope you and your family enjoyed it.

The third raffle was a 50/50. This was won by Valerie Kriney

We had plenty of food and, of course, an ice cream station (for Joe and Rich?) and pastries. Donna Jesse had a beautiful and delicious birthday cake for Bills 70th birthday which was on the day of our party. We also sang Happy Birthday to members who have birthdays in December.

Thanks again for attending
Arlene

Vice President's Message

Happy New Year. I Hope you have a safe and healthy 2017

Joe and Jan Seville are on the road back to recovery. Jan just got out of rehab after falling. Joe has been getting treatments , the good news is that they will be able to go to their Florida home to continue healing. John Bolger is getting stronger every day, he was able to come to the Thunderbird Christmas party. If there is anyone else who is not feeling good, our prayers are with you to feel better soon. Let's pray our members have a better 2017. We had our Christmas party on December 3rd at the San Carlo Catering in Lyndhurst. Hope all had a good time. There is an article on Christmas party elsewhere in this newsletter. I was a little disappointed in the food this year, so at the Board Meeting, I am bringing up that I am going to look into a new restaurant for our party.

Thank you Pat and Joanne for inviting us to your Christmas outside light display. Beautiful demonstration of lights and music. Great job. As Pat said he decorates outside, Joanne decorates inside. Also thank you for the open house party. Plenty of chili and baked ziti, plus the candy, chips and dips were delicious. And anything you wanted to drink. Thanks again for the great night. Ho Ho Ho. Pat also played the guitar and Ray Braun played the drum. Great job guys. We had a lot of fun when we went on Saturday night. Some of our members went on Friday night.

We also had a convention meeting on Sunday of the same weekend which Joanne and Pat hosted at their house. It was quite a busy weekend. We accomplished a lot on the convention. Thanks to Lucille for getting all the activities organized. We discussed the Hotel and rooms, shirts for the convention, Welcome party, hospitality, Concours, etc. The convention is well on the way to being fantastic. If anyone wants to volunteer, please let me know. (Continued on Page 9)

2016 NJORTC Christmas Party

Party for Christmas, cheery and bright
Spirits high still, things not to go exactly right
Fun for club, members company, each enjoys
Thoughtful, less fortunate, tots and their toys

Lovely setting, efforts many, to appreciate
Centerpieces handcrafted, really great
Mr. & Mrs. Claus spirit holiday, conveyed
Interesting people, personalities on parade

Time passed quickly, seemed just in a blink
Something to reflect on, thoughts and to think
When it came to the end, happy and satisfied
Happy to be part, NJORTC, what a joyride

The 2017 Convention

Pre-Registration forms are posted on the club website (on the 2017 Convention page) as well as hotel information. Rooms are being booked rapidly so get the reservations in. In fact, we are looking into overflow hotels if needed. Events and excursions are finalized. The registration form has been finalized and will be available soon. Special price rooms for Wednesday night have been fully booked but there are rooms available at regular rates. We are trying to get some more at a special rate

President's Message (Cont'd)

This will be a well attended Convention. The full registration should be ready in January. We will have mail in as well as on-line registrations.

Due to the conflicting dates with the Convention, we will not be having our Annual picnic.

In between all these activities, we will still have all our regular meetings and events. Be sure to check the event page on the web site or in this news letter for dates or locations.

The last note is your club dues are due. Please send them to Steve Handy. Please, when sending a check for dues or any club event make them payable to "NJORTC". In the past, checks have been received in chairman's names, Treasurer's name or event names and the banks will no longer accept checks with anything other then the name on the account, NJORTC.

Vice President's Message (Cont'd)

We have a Board meeting on January 8th, 2017 to discuss events for the year. If anyone wants to do an activity, please notify a Board member and let them know. Each month we try to do something. Joanne and Pat booked the hall for our annual 50/60's dance in April.

To all you Thunderbird snow birds, have a safe and hot winter. Just think of us up here freezing. Have a great winter see you in March or April.

As I said in the beginning of this article have a safe and healthy New Year. These years are going by faster and faster. Happy 2017.

Battery Drain

To find out if something is draining your battery, begin with a fully charged battery.

Then disconnect the negative battery connection, take a test light and connect one end to the negative post of the battery and the other end to the battery cable. At this point, the light should not light. If it does light, then you have a draw on the battery. Keep in mind that you have a clock or have upgraded your radio to one that has a memory the light may show. The brightness of the light will tell how much of a draw you have.

If you have a draw, then start disconnecting all accessories and other connections one at a time to see where the draw is coming from.

Join CTCI now if you haven't yet. The Early Bird magazine alone is worth the dues.
