Dear Daniel,

On behalf of the High Flight Foundation and the board we would like to thank you for your continued giving and prayerful support. We are thankful that you continue to be linked together with us so that God's vision through High Flight might be established and reach the nations.

Through your faithful partnership we have been able to expand Operation Uplift to the military families at the Wounded Warrior Project. This upcoming summer and possibly into the fall we will be hosting a week long retreat to minister the Love of God to these precious military families.

During this past year High Flight Foundation opened up their satellite office in Sarasota/Bradenton, Florida area which will be serve the Operation Uplift and other outreach programs.

We are also assisting the collaboration of the Spanish/English Program between Manatee School for the Arts in Palmetto, Florida with the Jim Irwin Charter School in Colorado Springs, Colorado and Colegio Jim Irwin in Ecuador. This is an exciting opportunity for the students to develop relationships and explore another culture and expand their horizons.

Also we are pleased to announce that *To Rule the Night* is now available as an e-book through Amazon, share with your friends and family a new opportunity to share the gospel and adventure.

Once again thank you for partnering with us and we trust that we can continue working together to see lives changed by the power of God's love.

We look forward to advance His Kingdom together with you.

In His Amazing Love,

Joy Irwin Schtakleff
President
