

What Does the Qu'ran really say?

When we hear of people who deny the Holocaust, what is our immediate reaction? It should be one of shock. How could anyone deny the pictures, the videos, the eye-witness accounts, and the Third Reich, themselves? We heard the phrase Never Again! Yet, we are witnessing a similar mindset. Some people are denying the tortures, the pictures, the eye-witness accounts, and the civilizational jihad that is amongst us. The Jihad Deniers are here, and they are in our midst.

What is your reaction to this headline? "Islamic State opens sex slave market in Turkey's capital." Robert Spencer quotes the Qu'ran: " In Islamic law, it is normal: the seizure of Infidel girls and their use as sex slaves is sanctioned in the Qu'ran. According to Islamic law, Muslim men can take "captives of the right hand" (Qu'ran 4:3, 4:24, 33:50). The Qu'ran says: "O Prophet! Lo! We have made lawful to you your wives to whom you have paid their dowries, and those whom your right hand possesses of those whom Allah has given you as spoils of war" (33:50). 4:3 and 4:24 extend this privilege to Muslim men in general.

The Qu'ran says that a man may have sex with his wives and with these slave girls: "The believers must win through, those who humble themselves in their prayers; who avoid vain talk; who are active in deeds of charity; who abstain from sex, except with those joined to them in the marriage bond, or whom their right hands possess, for they are free from blame." (Qu'ran 23:1-6). The rape of captive women is also sanctioned in Islamic tradition. ..."

Where is the feminist outcry? Where is the inclusion group's outcry? Where is the outcry from clergy? The hypocrisy is staggering. Are you ready for this Qu'ran-sanctioned sex slavery of your wife, child, mother, grandmother or anyone who is deemed an infidel? If you're not, you better get ready. "...It is also in Islamic law: "When a child or a woman is taken captive, they become slaves by the fact of capture, and the woman's previous marriage is immediately annulled." (*Umdat al-Salik* 09.13)..." And if you think a Qu'ran-following woman will have pity on her fellow female sex slaves, you are mistaken: "... "Is this forbidden by Islam?" I asked. "Absolutely not. Sex slaves are not forbidden by Islam. On the contrary, sex slaves are under a different law than the free woman. The free woman must be completely covered except for her face and hands. But the sex slave can be naked from the waist up. She differs a lot from the free woman. While the free woman requires a marriage contract, the sex slave does not—she only needs to be purchased by her husband, and that's it. Therefore the sex slave is different than the free woman."

When someone promotes the Qu'ran as peaceful, ask them, Have you read the Qu'ran? Have you read the Hadith, the Sunna of Mohammad? Have you read the Sira, the life of Mohammad? Have you read Shari'ah Law? Local clergy were asked if they had read the Qu'ran. They all responded No. How can you promote a political system as peaceful if you don't even know what they are saying? Start by reading Dr. Bill Warner's books, and maybe

you can be taken seriously. <https://www.politicalislam.com> Attend the Pastor Shahram Hadian's events or watch him on youtube.

"Islam's ethical system is dualistic and is not based on the Golden Rule." Dr. Bill Warner

The Hadith makes it clear that Muslims are allowed to lie to unbelievers in order to defeat them or protect themselves. There are several forms:

Taqiyya - Saying something that isn't true as it relates to the Muslim identity. (This is a Shiite term).

Kitman - Lying by omission. An example would be when Muslim apologists quote only a fragment of verse 5:32 (that if anyone kills "*it shall be as if he had killed all mankind*") while neglecting to mention that the rest of the verse (and the next) mandate murder in undefined cases of "corruption" and "mischief."

Tawriya - Intentionally creating a false impression.

Muruna - 'Blending in' by setting aside some practices of Islam or Sharia in order to advance others. <https://www.thereligionofpeace.com/pages/quran>

Ask a Muslim

Do you denounce Hamas? Qu'ran: 9:29 Make war on those who have received the Scriptures (Jews and Christians) but do not believe in Allah or in the Last Day. They do not forbid what Allah and His Messenger have forbidden. The Christians and Jews do not follow the religion of truth until they submit and pay the poll tax (Jizya) and they are humiliated. Qu'ran: 9:63 Do they not know that whoever opposes Allah and His Messenger will abide in the fire of Hell, where they will remain forever? This is the great shame.

Do you denounce Hezbollah? Qu'ran: 47:4 When you encounter the Kafirs on the battlefield, cut off their heads until you have thoroughly defeated them and then take the prisoners and tie them up firmly. Qu'ran: 8:13 This (Allah cast terror into the Kafir's heart) was because they opposed Allah and His messenger. Ones who oppose Allah and His messenger will be severely punished by Allah.

Do you denounce female genital mutilation? Reliance of the Traveller: A Classic Manual of Islamic Sacred Law, Ahmad ibn Naqib al-Misri: Circumcision is obligatory (for every male and female) by cutting off the piece of skin on the glans of the penis of the male, but circumcision of the female is by cutting out the clitoris (this is called Hufaad)

Do you denounce polygamy? **Dr. Bill Warner:** "... Some rulings found under the Sharia, such as women, you have wife beating, which is part of the Sharia, child marriage is part of the Sharia, female genital mutilation is permitted, polygamy is permitted, honor killings are not punished and the rape of Kafir women is allowed, yes, that is true. ..."

<https://www.politicalislam.com/sharia-destroyer-civilizations/> Sahih Muslim M177 About seven months after arriving in Medina, Mohammed, aged fifty-three, consummated his marriage with Aisha, now age nine. She moved out of her father's house into what was to become a compound of apartments adjoining the mosque. She was allowed to bring her dolls into the harem due to her age.

Do you denounce the use of sex slaves? Dr. Bill Warner: The Hadith, Page 34 "...Mohammad himself was involved in every single aspect of slavery. He had non-believing men killed so that the surviving women and children could be made slaves; he owned many slaves, some of them black; and he gave slaves away for gifts; he passed around slaves for the purpose of sex to men who were his chief lieutenants. Mohammad stood by while others beat slaves; he captured slaves and wholesaled them to raise money for jihad. He shared the pleasure of sex with the captured women after conquest. One of his favorite sexual partners was a slave who bore him a son. ..."

Do you denounce the treatment of the Kafir in the Sunna of Muhammad and the Qu'ran? 8:15 Then your Lord spoke to His angels and said, "I will be with you. Give strength to the believers. I will send terror into the Kafirs' hearts, cut off their heads and even the tips of their fingers!" Qu'ran: 3:28 Believers should not take Kafirs as friends in preference to other believers. Those who do this will have none of Allah's protection and will only have themselves as guards. Allah warns you to fear Him for all will return to Him.

Do you denounce Shari'ah Law? Dr. Bill Warner: Foundations of Islam, Page 44 Sharia law is to dominate all governments of the world and replace all constitutions. Islam is to replace all religions of the world. Every aspect of our life must be done as Mohammed did it in the year 632 CE. Submission is what Islam is about and everyone must submit to Allah and the Sunna of Mohammed.

Do you denounce the use of the burka and hijab as a symbol of oppression of women? Dr. Bill Warner: "The hijab is a symbol, or political statement, that says: I support Islam and its sharia. It is a symbol of civilizational jihad, and helps advance the cause of Islam. The students have no idea what they are doing and what they are supporting when they do this. Basically (sic) they are supporting their own cultural demise."

In the interests of interfaith dialogue, when may we arrange to have a priest or pastor speak in a mosque?

CAIR is an unindicted co-conspirator in 2008 with the largest terrorism funding trial in U.S. history, United States v. Holy Land Foundation
https://www.americanthinker.com/articles/2017/10/muslim_brotherhood_political_infiltration_on_steroids.html **A document published in 1991 outlined Muslim plans to take over America.** An Explanatory Memorandum: On the General Strategic Goal for the Group,

<https://www.investigativeproject.org/documents/misc/20.pdf>, seized in a 2004 FBI raid of the Virginia home of a Muslim Brotherhood operative, was presented during the trial as evidence of "a Civilization-Jihadist Process." It outlined the Muslim Brotherhood goal to conduct a "grand jihad in eliminating and destroying Western civilization from within and 'sabotaging' its miserable house by their hands and the hands of the believers so that it is eliminated."

As a sharia law supporter: Do you denounce this Explanatory Memorandum?
