GMIG & HEN DPG Joint Webinar on

February 21, 2024!

Exciting news! Mark your calendars for a must-attend event—the joint [GMIG](#) and [HEN DPG](#) webinar on February 21, 2024, from 1:00-2:30 PM Central Time.

Webinar Title: "The Role of School Feeding Programs in Alleviating Hunger and Building Sustainable Food Systems"

Speakers:

Christine McCullum-Gomez, PhD, RDN (GMIG)

Marissa Bell, MPH, RD, LD (HEN DPG)

GMIG and HEN DPG Member Price: \$0.00

Non-GMIG and Non-HEN DPG Members: \$25.00

What role do international school feeding programs have in alleviating hunger and contributing to a sustainable food system? This webinar will present an overview of school feeding programs, both from a global and US perspective, including their benefits for hunger and poverty alleviation and to build sustainable food systems. *Stay tuned for more details, and we look forward to your active participation in this enriching webinar!*
