Occupancy Standards

Occupancy is limited to two (2) persons per bedroom.

Citizenship

Applicants will be required to verify their citizenship status as part of the qualification process at this property. Applicants are required to provide a Social Security card or other appropriate documentation.

Credit Policy

Landlord Reference:

The applicant's present and past landlord history will be verified including but not limited to rental amount, rent paying habits, how long they have lived there, condition of dwelling, did they fulfill their lease, did they give notice to vacate and would they be eligible to live there again. Lack of landlord reference is not a negative (for example, have always lived with parents).

Credit Report:

The applicant's credit report will be checked using a credit reporting agency. An application fee of \$20.00 will be charged to each adult applicant. The Site Manager has the ability to approve any application if the Predictive Factor Point Score is between 11 – 24. Property Manager Approval is required when the Predictive Point Score is below 11. In most cases, the Property Manager must reject an application with a score of 0-6 unless there are special circumstances (new college graduate, military, new job, bankruptcy, etc). A bankruptcy is considered to have erased all debt.

Income:

Applicants must have sufficient income to ensure that they are able to pay the rent. If there is no other debt, this can be changed at the discretion of the Property Manager.

Guarantor:

A guarantor can only be used if the applicant, standing on their own meets a Predictive Factor Point Score of questionable and nothing less, unless approval is obtained by the Property Manager. The guarantor must qualify under the same guidelines as the applicant, including a credit check. An application fee of \$35.00 is required of a guarantor just as it is required of an applicant. Guarantors may be used only if they are immediate family members (legally related, brothers, sisters, father, mother, etc.) Unrelated individuals, such as friends, are not acceptable.

Procedures for Approval:

1. Applicants will be screened first for landlord, credit approval, occupancy standards and the ability to contract. Legacy Senior Residences will not obtain criminal reports on applicants who are denied based upon information obtained in the first step.
2. If the applicants pass step 1 above, management will then obtain a criminal report.
3. Upon satisfactory completion of steps 1 and 2 outlined above, applicants for affordable housing will be screened based upon the program requirements discussed in this resident selection plan. Upon meeting the Affordable Housing Program requirements, applicants will then be approved for move-in.

Procedures for Denial:

The following procedures will be completed when an applicant is denied housing:

1. A denial letter will be mailed within 3 business days to the applicant from the Site Manager with a copy retained on-site.
2. According to existing law, no information may be given over the phone.

Unit Transfer Policy

Generally, unit transfers are not allowed to the same size units within the same property. A unit transfer request will be considered as a reasonable accommodation when there is a need for an accessible unit, to accommodate a qualified medical condition, or is an approved VAWA request under program requirements. With the exception of an emergency VAWA approved transfer; before the transfer is approved, the resident must demonstrate prompt payment of rent and other charges, does not owe a previous balance, has no lease violations for the prior (6) months and has not damaged the existing apartment (a pre-transfer inspection will be made). There are other considerations as well based on the income guidelines that apply to the specific unit and the

program the available unit is enrolled in. All households must income qualify for the unit requested. If we receive a request for a transfer that is a result of a reasonable accommodation request, we attempt to reduce that request to written format and submit it to the corporate office. The request should be on the reasonable accommodation/modification form, if possible. If the request for transfer does not relate to a reasonable accommodation request, the resident's written request should include the following: name, property name, unit number, telephone number, date of request, specifics of request including reason, and signature. This information must be submitted to the home office immediately for review. Home office will determine if the request for transfer is approved or denied based on the items mentioned in this section. A written decision will be issued to the resident with instructions for the transfer process.

Waitlist

If there is currently a waitlist on property, it is updated in the following ways: 1.) As applicants are added, 2.) As residents request transfer, 3.) As units become available, 4.) As applicants are contacted, and 5.) As applicants are removed (either by applicant request or manager documentation of removal). It is the responsibility of the applicant to notify the property if any information on the application changes (contact information, income information, or other eligibility information). Applicants will be added in chronological order in which he or she applied for a unit. As vacancies occur, people on the application waiting list for such vacant will be notified and, if approved, will be accepted on a first-come, first-serve bases, in accordance with and subject to the eligibility and screening requirements set forth in this Resident Selection Criteria. Applicants have 24 hours to respond to contact from the property manager to accept the available unit, or the manager will move onto the next applicant. If an applicant is removed from the waitlist and the staff determine an error was made in removing the applicant, the applicant must be reinstated at the original plan on the waitlist list.

Live-In Caretakers

A Live-In Caretaker will be considered if medically necessary as stated by a Medical Care Professional. A specific form is required and will be given to the Medical Care Professional by Management. A background check, including criminal reports, will be conducted on every live-in caretaker. If the caretaker has a criminal history as stated above, occupancy will not be granted. A Live-In Caretaker is a "person who resides with one or more elderly person(s), or near-elderly person(s), or person(s) with disabilities who 1. is determined to be essential to the care and well-being of the said person; 2. is not obligated for the financial support of the said person; and said person is not responsible for my caretaker's financial support and 3. would not be living in the unit except to provide the necessary supportive services. The Live-In Caretaker will need to sign a lease addendum and affidavit.

Security Deposit

The required security deposit for each unit is established at move-in. When a tenant transfers to a new unit, management will charge a new security deposit and refund the balance of the deposit for the old unit.

Non-Discrimination

Our Community does not discriminate on the basis of race, color, religion, creed, national origin, familial status, disability, sex, marital status or age (provided the applicant has the capacity to enter into a binding contract). Additionally, Our Community will not discriminate against applicants whose income derives from any public assistance program or because the applicant has in good faith exercised his or her rights.
