

“...it is a truism that learning is neither limited to what is formally taught, nor to time spent in

classrooms. It occurs whenever and wherever the learner interacts with the surrounding environment. All facets of the community (not just the school) provide learning opportunities. Anyone in the community who wants to facilitate learning might be a contributing teacher...When a school successfully joins with its surrounding community, everyone has the opportunity to learn and teach.”

*Adelman and Taylor,  
(Spring, 2001)*
